

About Our Insurance Service (AOIS)

1st Central is a brand name of First Central Insurance Management Limited. 1st Central is an intermediary, offering products from a panel of insurers to meet your needs. Wherever we mention we/our in this document, we mean 1st Central.

1st Central is an insurance broker. It's 1st Central's role to arrange and administer your motor policy. It's your insurer, not 1st Central, who your insurance agreement is with. You can see who your motor insurer is by checking your Certificate of Motor Insurance.

You will not receive advice or a recommendation from 1st Central on whether your insurance policy is the best for you. 1st Central will ask some questions to narrow down the selection of products to which they have access and that they will provide you with the details on. You will then need to make your own choice about whether the product(s) fit your needs. The services 1st Central will provide to you, on your behalf, include:

- Arranging your car insurance by getting a quote based on your personal circumstances. 1st Central will deal with your payment and provide you with the details and documentation relating to your policy.
- Dealing with adjustments you must make to your policy, like when you change car. 1st Central will notify the insurer, deal with any changes to the premium and confirm any changes to your policy.
- If you want to cancel your policy, 1st Central will do that. 1st Central will let the insurer know on your behalf and deal with any refunds.
- Providing you with your policy documents, and any duplicates you may need.
- Arranging additional add-on products where you consider these products meet your needs.
- Arranging renewal of your insurance and additional products based on your requirements.

1st Central will also handle any claims you make for the motor insurer on its behalf.

How your policy is protected

Your insurer is covered by the Financial Services Compensation Scheme (FSCS).

This means that when you buy insurance through us, you're protected by the scheme. In the unlikely event that your insurer was to stop doing business, valid claims would be paid by the FSCS.

Claims to cover your legal responsibility would be paid out in full, without any upper limit. Other claims would be paid out at 90% of their value.

If you want to learn more about the FSCS, please visit www.fscs.org.uk.
