Breakdown or is involved in a road traffic collision on a motorway in Mainland Europe

Motorways in France and many other European countries are privately managed. If **your vehicle breaks down** or is involved in a **road traffic collision** on a French motorway, motorway service area, or other European private motorway, **you** must use the roadside emergency telephones as **we** cannot send assistance. If the **vehicle** is recovered by the police or authorised motorway services, **you** may have to pay labour and towing charges on the spot and a standard tariff is normally applied.

We will **reimburse** these charges as long as the **vehicle** is towed to the recovery company's depot. This may also apply to other roads, so **we** recommend **you** use the emergency phones where available. If they will not send a breakdown recovery vehicle, **you** should contact **us**.

✗ What is not covered under section D5:

- The cost of any parts; or
- Any benefits under any other section of this **RAC Breakdown Cover**.

Section D6 – Replacement Driver

✓ What is covered under section D6:

Although this is not covered as a **breakdown** under this **RAC Breakdown Cover**, if the **driver** suddenly or unexpectedly falls ill during the **journey** in **Europe**, meaning **they** are unable to drive, **we** will provide a replacement driver to allow the **journey** to continue or return **home**. **We** will require written confirmation from the treating hospital or medical expert that the **driver** is unable to drive

✗ What is not covered under section D6:

- If there is another qualified driver who is a **passenger** and who is fit and legally able to drive the **vehicle**.
- Any benefits under any other section of this **RAC Breakdown Cover**.

Section E – General conditions for Section D

- E1. **We** will not cover any **call-out** for any repairs to a **vehicle** which are not essential in order to continue the **journey**;
- E2. Any **claim** which the **driver** could make under any other insurance policy. If the value of the **call-out** is more than the amount which can be recovered under another policy **we** may pay the difference, subject to the limits as set out in this **RAC Breakdown Cover**;
- E3. **You** must make sure the **vehicle** meets all relevant laws of the countries visited during a **journey**;
- E4. How the exchange rate is calculated:
 - a) Any costs incurred directly by **us** in a currency other than GBP will be converted to GBP at the exchange rate used at the time;
 - b) Costs incurred by **you** in a currency other than GBP which are recoverable will be converted to GBP either:
 - i. at the exchange rate used by **your** credit or debit provider; or
 - ii. at the exchange rate used by **us** when **your** claim form is received if **you** paid in cash;
- E5. **We** will not take responsibility for repairs carried out at any garage, and the contract for such repairs will be between **you** and the garage / repairer.
- E6. When a hire car, taxi, hotel or similar benefit is arranged under this **RAC Breakdown Cover**, **we** will always try to find a suitable option that is available at the time, however:
 - a) **we** are not responsible for the quality or service of each individual hotel, train or taxi booked; and
 - b) for hire cars, whilst reputable companies are used, **we** are unable to and cannot be responsible for checking the condition of each vehicle or the quality of service provided by each company;
- E7. If, following a **breakdown**, the **vehicle** needs to be repaired, **you** must not delay or refuse repairs whilst **you** are in **Europe**. If **you** do, and in **our** reasonable opinion that would lead to additional costs being incurred, **we** reserve the right to refuse to provide cover under Section D3 (Onward travel in Europe) or Section D4 (Getting your vehicle home);
- E8. If the **breakdown** or **road traffic collision** is caused by flooding brought about by adverse weather **we** will only arrange for the **vehicle** to be taken to a local repairer. All further service will be an additional cost paid by **you**, or must be referred to the **vehicle's** motor insurer;
- E9. In handling **breakdown call-outs** there may be more than one option available to **you** under this **RAC Breakdown Cover**. **We** will decide which is the most appropriate option based on **our** expertise in **breakdown** situations. In doing so **we** will act in consultation with **you**, and act reasonably at all times;
- E10. This **RAC Breakdown Cover** does not cover:
 - a) vehicle storage charges, other than under Section D4;
 - b) **call-outs** if **you** are not carrying a serviceable spare tyre, the tyre repair equipment provided by the manufacturer or a locking wheel nut;
 - c) the hire of minibuses, motorhomes, motorcycles, **caravans**, **trailers** or vans;

- d) overloading of a **vehicle** under the laws in any country in which the **vehicle** is travelling;
- e) **breakdowns** or **road traffic collisions** caused by running out of oil or water, frost damage or rust or corrosion.

Section F – General conditions

The following conditions apply to all sections of this **RAC Breakdown Cover**. If **you** do not comply **we** can refuse cover and/or cancel **your RAC Breakdown Cover**.

- F1. **You** must pay **your** premium.
- F2. **You** must request services directly from **us**, as **we** will only provide cover if **we** make arrangements to help **you**.
- F3. Where the **breakdown** is caused by a component failure this must stop the **vehicle** from working, so for example an air-conditioning failure in itself does not constitute a **breakdown**, and the illumination of a warning light does not always constitute a **breakdown**. If it does not, **you** will need to take **your vehicle** to a place of repair and **your RAC Breakdown Cover** will not cover this.
- F4. **We** will not cover any **claim** where the **vehicle** is already at a garage or other place of repair.
- F5. Where **we** deem, acting reasonably, that **you** requested service to avoid the cost of repairing the **vehicle**, or to correct an attempted repair by someone else, **we** will not provide cover.
- F6. A **driver** must be with the **vehicle** when **we** attend.
- F7. **You** are responsible at all times for the care of **your** personal belongings, valuables, luggage and goods in or on a **vehicle**. **We** will not be responsible for any loss of or damage to them.
- F8. Where **we** recover **passengers** under the age of 16, they must be accompanied by an adult.
- F9. **We** will not allow animals in **our** vehicles, except guide dogs. Any animals can remain in the **vehicle** at the **driver's** own risk. **We** will not be liable for any injury to animals, or damage caused by them. **We** will not transport any livestock. **We** will not be responsible for any costs relating to animals.
- F10. The **vehicle** must not carry more passengers than the number stated in the **vehicle's** registration document. Each **passenger** must have a separate fixed seat fitted to the manufacturer's specification and any child must occupy a properly fitted child seat.
- F11. Where **we** provide a repair to the **vehicle**, whilst **we** are responsible for that repair, this does not mean that **we** are confirming the legal and roadworthy condition of the **vehicle**. This remains **your** responsibility.
- F12. **We** will not be responsible for any losses that may incur following a **breakdown** that are not expressly covered by this **RAC Breakdown Cover**. For example, **we** will not pay for any loss of earnings or missed appointments.
- F13. **We** do not guarantee that recovery to any garage will be during opening hours, or that repairs can start immediately. Whilst **we** will try to check that the garage will undertake the type of repairs required, **we** cannot guarantee this. **We** will not take responsibility for repairs carried out at any garage and the contract for such repairs will be between **you** and the garage / repairer.
- F14. During extreme weather, riots, war, civil unrest, industrial disputes, **our** services can be interrupted. **We** will resume **our** service to **you** as soon as **we** can in these circumstances.

- F15. The cost of the following is not covered by this **RAC Breakdown Cover**:
- a) **specialist equipment**;
 - b) ferry charges for the **vehicle** and **our** vehicle;
 - c) any damage to glass even if the damage means the **vehicle** cannot be legally or safely driven. **We** will arrange transport to a local garage so **you** can arrange to get the **vehicle** fixed but **you** will have to pay for this;
 - d) spare tyres and wheels and repairing or sourcing them; or
 - e) recovery by someone other than **us** even if this is requested by the emergency services. **We** will only provide recovery once instructed to do so by the emergency services.
- F16. In handling any **claim** there may be more than one option available to the **driver** under this **RAC Breakdown Cover**. **We** will decide which is the most appropriate option based on **our** expertise in **breakdown** situations. In doing so **we** will act in consultation with the **driver**, and act reasonably at all times.
- F17. The **vehicle** must be privately owned and only used for private use, including use for social, domestic and pleasure purposes and commuting to and from a permanent place of work or any business use other than hire and reward and/or courier services.
- F18. This **RAC Breakdown Cover** does not cover:
- a) routine servicing, maintenance or assembly of the **vehicle**;
 - b) **caravan** or **trailers**, except as described under Section A;
 - c) use of **your vehicle** for business, including for example demonstrating or carrying trade plates;
 - d) **breakdowns** resulting from activities that are not subject to the normal rules of the road for example rallies, stock car racing, use of the Nürburgring or other formal or informal race events;
 - e) **breakdowns** that occur off the public highway to which the **driver** or **we** have no legal access;
 - f) the **vehicle** if it is not legally taxed, insured and holding a valid MOT which is required by law or is not being used in line with the manufacturer's guidelines;
 - g) **vehicles** that are not in a roadworthy condition. If **we** consider, acting reasonably, that the **vehicle** is not in a legal or roadworthy condition, **we** can refuse to provide service. If **you** can demonstrate that the **vehicle** is roadworthy **we** will provide service;
 - h) any **claim** that is or may be affected by the influence of alcohol or drugs;
 - i) any **breakdown** that is caused by or as a result of **vehicle** theft or fire; or
 - j) any **claim** under this **RAC Breakdown Cover** where the **breakdown** was first reported to **us** under a different policy.
- F19. If the **driver** is asked to review and approve a document recording the condition of the **vehicle**, including an electronic form, it is **their** responsibility to ensure that the record is accurate and complete, and **we** will not be responsible for any errors or omissions.

Additional Benefits

The following are provided at no additional charge:

Service in the Republic of Ireland

If the **vehicle** has **broken down** in the Republic of Ireland, **we** will provide a Roadside attendance service only, as described under Section A (Roadside). If **your home** address is in Northern Ireland and **you** have purchased Section C (Recovery), **we** will recover the **vehicle** to **your home**, or to another destination in Northern Ireland if the distance is less.

Urgent message relay

If the **vehicle** has **broken down** and the **driver** needs to get in touch with friends and family urgently, **we** will get a message to them.

Replacement driver

If the **driver** becomes ill during a journey in the **UK** and no one within the party can drive the **vehicle**, **we** may be able to provide a replacement driver. This service is discretionary, and **we** will decide whether or not to provide this service.

Additional services

We can provide additional services that are not included in **your RAC Breakdown Cover** but **we** will charge **you** for these, for example to:

- Purchase the parts **you** need to get on **your** way;
- Pay for **specialist equipment** to complete the repairs;
- Extend the hire time for a replacement car;
- Arrange a second or extended recovery; or
- Attend a mis-fuel event.

If **you** need extra help, **we** will agree the costs up front and will need full payment before **we** can help. If **you** took out the **RAC Breakdown Cover**, **you** will be responsible for any additional charges so if **we** help someone under **your RAC Breakdown Cover** and they cannot pay, **we** will invoice **you**. This is why **we** request proof of identity at the **breakdown**.
