Welcome,

Thank you for choosing car insurance through **1st Central**. We are delighted to welcome you as a valued customer.

Your insurance policy is arranged by **1st Central**, which is the brand name of First Central Insurance Management Ltd. The motor insurer is named on your Certificate of Insurance.

1st Central acts for you, as an intermediary, when it arranges this motor insurance. We set out our role in detail in the accompanying document "**About Our Insurance Service (AOIS)**".

In this document you will find at the outset a '**Private Car Policy Summary**' which outlines the terms of your insurance cover. You will then find two sets of contracts, both of which are legally binding.

The first and main set of contracts is the motor insurance policy and the insurance of Key Assist. ('the **Insurance Contract**'). The **Insurance Contract** contains the terms and conditions of your insurance cover. The motor insurer is named on your Certificate of Insurance and the names of the insurer which provides the Key Assist benefits appear in Section 8. Your premiums on the **Insurance Contract** are due to the Insurer and are payable to the insurers via **1st Central**. **1st Central** holds any money it receives for the insurers on their behalf.

The second contract is the '**Intermediary Contract**' with **1st Central**. **1st Central** sets up your motor insurance and provides you administrative services in relation to your **Insurance Contract** on the terms of this contract. The administrative fees which you pay on the **Intermediary Contract** such as set up or cancellation fees are due and payable to **1st Central** alone.

1st Central will not pay interest to you in any circumstances. However, this does not affect the rights you normally have by law.

Both the **Insurance Contract** and the **Intermediary Contract** are yearly contracts, which may automatically renew at the end of each year.

Please read this document in full together with your Schedule, Certificate of Motor Insurance, Statement of Fact and endorsements, as together these documents form the contracts to which you have agreed.

To make a claim, go online to Your Account or call **0333 043 2011**.

Kind regards,

Private car policy wording

Your Insurance Contract

This section makes up part of **your Insurance Contract** and includes the terms of **your** motor insurance. Please read it together with **your Schedule, Certificate of Motor Insurance, Statement of Fact and endorsements**, as together these documents form the **Insurance Contract** between **you** and the **insurer**. The Key Assist benefit is provided by Motorplus Limited t/a Coplus and is underwritten by Bastion Insurance Company Limited and the Legal Expenses benefits are provided by Motorplus Limited t/a Coplus and is underwritten by Allianz Insurance plc. This contract is based on the information **you** provided when **you** applied for this insurance, which is shown on the Statement of Fact that have been declared to be correct. **Please take time to check the information shown. If any of this information is incorrect, please go to [Your Account](#) and make any suitable changes to bring your policy up to date.**

In this **document you** will find a summary of **your** insurance cover at page 6, information about changes which may affect **your** policy and how **you** must tell the **insurer** straight away about any changes **you** make at page 12, as well as how to tell the **insurer** about any claim at page 10. Full information about the cover under **your** insurance policy cover can be found from page 14 onwards.

If **your policy** does not meet **your** needs, please return all documents, including the **Certificate of Motor Insurance**, within 14 days. As long as **you** have not made a claim and **you** have not been involved in an incident that might give rise to a claim under the policy, **your insurer** will refund the premium paid less a charge for the number of days covered by the **policy**. Please see the **Intermediary Contract** for information about the set-up fee charge and any applicable cancellation fees.

The legally-binding policy wording is part of the **Insurance Contract** between **you** (the policyholder) and the insurer (as shown on **your current Certificate of Motor Insurance**). The parties to the Insurance Contract are **you** and the **insurer**. **Your insurer** has agreed to provide cover for **you** (under the terms, conditions, limits and exclusions in this document and within the geographical limits (defined in section 6)) against **your** liability (legal responsibility) for loss, destruction, accidental injury, or damage that may happen during any period of insurance in connection with **your** car.

Nothing in this contract will create any rights to anyone else under the Contracts (Rights of Third Parties) Act 1999 and no change to this contract, nor any extra agreement, will create these rights unless stated in the policy. This does not affect any right or remedy of someone else that they may have aside from this act. If there is more than one **insurer** providing this insurance, they are each acting alone and not jointly. If one of the **insurers** does not for any reason meet all or part of their responsibilities under the policy, the other **insurers** will have no responsibility for those obligations.

So that this document may be signed and issued as evidence of the **Insurance Contract**, the **insurer** has entered into an agreement with **1st Central** to allow **1st Central** the right to sign this contract.

What to do if you have an accident

You can log your claim online in Your Account or call our 24-hour claims helpline number: 0333 043 2011 (or +44 (0) 333 043 2011 from overseas)

If **you**, or **your car**, are involved in any type of accident or loss, **you** or the other named driver (as shown on the **Certificate of Motor Insurance**) must tell the **insurer** within 48 hours of the incident by phoning the number above. **You** must do this whether or not **you** are at fault and even if **you** do not plan to claim. The insurer's team will help **you** to arrange fast and efficient repairs (if **your** cover is appropriate) through the **insurer's** extensive approved repairer network. Using the **insurers'** approved repairer network has several benefits.

- **You** will not need to get estimates.
- **You** will be given a courtesy car, free of charge, while **your car** is repaired. (This depends on what is available, and the **insurer** cannot guarantee that this will be the same size or model as **your car**.)
- The bill will be settled directly with them. **You** only need to pay the **excess** and any other amount that **you** will have been told about.
- **You** can arrange for **your car** to be collected from **your** home or place of work and they will also deliver it back.
- The **insurer's** approved repairer's work is guaranteed for five years.
- **Your car** will be washed and cleaned before being returned to **you**.

If **you** choose not to use the **insurer's** approved repairer network, this may lead to delays in arranging repairs to **your car**. **You** will also have to pay an extra **excess** as well as any other **excesses** under this **policy**. The **insurer** will not guarantee the repairs and will not provide a courtesy car.

The **insurer** may move **your car** to safe and free storage. **You** should remove any personal possessions from the **car** as soon as **you** are able.

Strict timescales have been set for dealing with claims, in particular those involving bodily injury. A delay may affect **your insurer's** ability to provide the best defence on **your** behalf. This kind of delay can result in high costs for **your insurer** which may go against **your** driving record or, in extreme cases, may result in **your** cover being refused.

Please remember

- When reporting a claim, please have **your policy** number ready (it is shown on **your Schedule** and **Certificate of Motor Insurance**).
- Calls, emails, text messages or other communications may be monitored or record in line with UK law (for example, but not limited to, for business purposes such as quality control and training).

As long as they are named on the **policy**, the **insurer** or those acting on **their** behalf will deal with **your husband, wife or partner** who may call on **your** behalf. The **insurer** or those acting on **their** behalf will also speak with the named driver (as shown on the **Certificate of Motor Insurance**).

Customer Information

Demands and needs

1st **Central** insurance meets the demands and needs of those who want to make sure that, if they are involved in a motor accident, claims against them by anyone else for personal injury or damage to property during the period of insurance will be met. Cover may be extended to include fire, theft and accidental damage to the insured vehicle.

Automatic renewal

The **insurer** may automatically renew **your Insurance Contract** at the end of **your** 12-month **period of insurance** by using the personal and payment details **you** originally supplied or have since updated. **You** will be contacted before **your** renewal date and be provided with information about the **Insurance Contract** so that **you** can make an informed decision about **your policy** and decide if **you** want to renew. Whether or not **you** receive a renewal reminder, it is still **your** responsibility to make sure **your** insurance is valid and in force. If **you** pay by instalments and have received a default notice in **your policy** term, **you** may not be able to use the monthly payment option when **you** are due to renew. If **your** first monthly payment cannot be collected when **your policy** has renewed, it will be assumed that **you'd** prefer to not continue **your** insurance and the **insurer** will cancel **your policy** from **your** renewal date.

Supporting documents

The **insurer** may ask to see a copy of **your** driving licence and proof of **your** no-claims discount. If **you** fail to provide these when asked, the **insurer** may cancel **your policy**.

Electronic documents

Your policy documents and **Certificate of Motor Insurance** are available online, and only in limited circumstances will **you** be written to by post. Because of this, **you** must provide a valid email address.

Providing all the facts

When asked, if **you** do not reveal all relevant facts **your** insurance may not be valid and will not protect **you** if **you** need to make a claim. In particular, **you** should tell the **insurer** about any incidents (whether **your** fault or not, and whether **you** claimed or not). It is an offence to make false statements or withhold information to get motor insurance. The **insurers** may charge the correct premium, cancel **your policy** or make it void from the start date (inception) if **you** misrepresent or deliberately fail to reveal facts that would affect either the terms and conditions of the **policy** or the decision to provide insurance. In this case, the **insurer** may aim to recover any costs **they** have had to pay and may not return any premium **you** have paid. **You** may also be charged cancellation fees under the **Intermediary Contract**.

Motor Insurance Database

Information relating to **your** insurance **policy** will be added to the Motor Insurance Database (MID) managed by the Motor Insurers' Bureau (MIB). - I. electronic licensing
- II. continuous insurance enforcement

If **you** are involved in a road-traffic accident (either in the UK, the European Economic Area or certain other territories), the **insurer**, the MIB or someone making a claim (including their appointed representatives) may search the MID to get relevant information.

It is vital that the MID holds **your** correct registration number. If it is incorrectly shown on the MID, **you** are at risk of having **your** vehicle seized by the police. **You** may check **your** correct registration number details are shown on the MID at www.askmid.com. **Insurers** have up to seven days to give the MID **your** details. Please contact **us** immediately if **you** find **your** registration number does not appear correctly.

- what **you** use **your car** for;
- where **your car** is kept;
- if **you** are taking **your car** abroad;
- a modification to **your car** which improves its performance or handling, including over the air updates from **your** vehicle manufacturer. Any modification which improves the value or increases the chances of it being stolen or someone breaking into it to steal what is inside;
- if **you** or anyone covered by this **policy** change jobs, move or change **your** name;
- if **you** or anyone covered by this **policy** no longer live in the UK.

- if **you** or anyone covered by this **policy** has been disqualified from driving or has had their licence revoked or the status of the driving licence has changed, for example, if **you** or any driver has passed their driving test; or
- if **you** or anyone covered by this **policy** has an accident or claims under another motor insurance policy.

If the **insurer** accepts a change to **your policy**, **you** may have to pay an extra premium to the **insurer**. Or, **you** may be due a refund of **your** premium from the **insurer**. To make any changes to the **policy** all payments must be up-to-date and **you** must not owe **us** or the **insurers** any money under any contract.

The **insurer** will cover loss or damage to the car caused by **fire**, lightning or explosion, **theft** or attempted **theft** while it is with a member of the motor trade for servicing or repair.

The **insurer** will not pay more than the **market value** of **your car** at the time of the loss or damage, less the total **excesses** and any **unpaid premium**. If **your car** is considered to be a **total loss** or stolen and is under a hire purchase agreement, the **insurer** will settle the claim directly with the owner of the car (i.e. the hire-purchase company). The balance, if any, will be paid to **you**. If **your car** is considered to be a **total loss** or stolen and is under a lease or contract hire agreement, the **insurer** will pay the owner of the car (i.e. the lease or contract hire company) either the **market value** of the vehicle, or the amount required to settle the agreement, whichever is less. The **insurer** may use parts which are not made by the manufacturer of **your car**, but are of equivalent type and quality to the parts replaced. This may include recycled parts or parts made from recycled materials. If any parts that need replacing are no longer available in the UK, the most the **insurer** will pay is the cost shown in the manufacturer's latest price guide plus an amount for fitting. The **insurer** will not pay extra costs as a result of parts or replacements not being available in the UK.

- it is not leased or on contract hire; and
- it has suffered damage covered by this section; and
- the cost of repairing it will be more than 59% of the last UK list price (including taxes).

The **insurer** will only do this if a replacement car is available in the UK and anyone else who has an interest in **your car** agrees. If a suitable replacement car is not available, the **insurer** will settle the claim using one of the methods shown above.

b) Liability cover for other people

✓ What is covered

The **insurer** will also provide cover under 4.1 above for:

The **insurer** will pay for emergency treatment fees in line with the Road Traffic Act resulting from an accident covered by this **policy**.

✗ What is not covered under Section 4

These exceptions apply to all of Section 4. No cover will be provided under this policy in respect of:

- Anyone who is not driving, but who makes a claim, if they knew the driver did not hold a valid driving licence.

Section 5 – No claims discount

If **you** make a claim or one arises under this **policy**, **your** no claims discount **will be reduced** at renewal in line with the scale shown here.

The effect of claims on your no-claims discount (NCD)

Number of years' NCD when you renew	NCD at next renewal without protection		NCD at next renewal with protection
	One claim where you are at fault in the next 12 months	Two or more fault claims in the next 12 months	One or more fault claims in the next 12 months
1 year	0	0	1 year
2 years	0	0	2 years
3 years	1 year	0	3 years
4 years	2 years	0	4 years
5 to 7 years	3 years	0	5 to 7 years
8 or more years	4 years	0	8 or more years (see below)

This is equal to the amount of NCD you have at the beginning of your policy.

- If **you** make two or more claims in any **period of insurance**, the **insurer** will reduce **your** no claims discount to zero years.
- The following will not reduce **your** no-claims discount.
 - I. Any payment made under section 3 – Windscreen cover.
 - II. Any payment for emergency treatment fees under section 4d – Emergency medical treatment.
 - III. Claims where **you** are not at fault, as long as the **insurer** has recovered all the money **they** have paid from those who are responsible.
 - IV. Any payment made under section 8 – Key Assist

Protected no claims discount

If **you** have bought protected no claims discount:

- the **insurer** will not reduce **your** no-claims discount if **you** make a claim or claims under the **policy**;
- the **insurer** will not cancel **your policy** as a result of the number of claims made under the **policy**; and
- **your** no claims discount protection may end if the **insurer** is made aware of a change in **your** circumstances that makes **you** ineligible or if the **policy** ends or is cancelled under General condition 11.7a or 11.7b.

Your no-claims discount protection does not protect **your** premium from increasing when **you** renew **your policy**. However, the **insurer's** calculation of **your** premium will include the no-claims discount **you** are entitled to.

Important

- If **you** make a claim during any **period of insurance**, **you** will not earn any no-claims discount entitlement for that insurance period.
- If **you** make a claim and the **insurer** has already worked out **your** renewal premium, the **insurer** can change or remove **your** no-claims discount entitlement and change **your** renewal premium.

Uninsured driver promise

If **you** have an accident with an uninsured driver and it was not **your** fault, **your** no-claims discount will not be reduced and **you** will not be charged a **policy excess**. However, **you** may temporarily lose **your** no-claims discount and pay the **policy excess** until the **insurer** is satisfied that the accident was not **your** fault and the other driver was uninsured. The **insurer** will then reinstate **your** no-claims discount and reimburse any **policy excess** paid depending on the following conditions.

- **You** give the **insurer** the vehicle make and model and registration number of the other car that caused the damage.
- The name and address of the other driver.

Your car must be taxed where applicable and registered in the UK with the DVLA or DVLNI and is covered by a valid Department of Transport test certificate (MOT) if one is needed by law.

11.6 Car sharing

The **insurer** will not cover **you** for any accident, injury, loss, damage or liability while **your car** is being used to carry passengers for hire or reward. However, **you** may accept money for fuel if **you** carry passengers for social or similar purposes as part of a car-sharing arrangement as long as:

- **your car** is not made or adapted to carry more than eight passengers;
- **you** are not carrying the passengers as customers of a passenger-carrying business; and
- **you** do not make a profit from carrying the passengers.

11.7 Cancelling your policy

If you cancel your **Insurance Contract**, any additional operative section of the policy as detailed within **your schedule** of insurance will also be cancelled automatically at the same time. If **your policy** is cancelled, **the insurer** will return any premium, including the deposit, paid for this **policy** less:

- a charge for the number of days the **insurer** has provided cover for;
- any fees applicable under the **Intermediary Contract**;
- any credit finance charges due under a **credit agreement**;
- any amount **you** may owe **1st Central** or the **insurer** under any other contract.

If any of the following apply, **you** may not receive any refund and **you** may still have to pay the balance of the full yearly premium and the balance due under your **credit agreement**. This applies in all circumstances no matter what payment method **you** use.

- **You** have made a claim in the **policy** year or a claim has been made against **your policy**.
- **You** have been involved in an incident which might give rise to a claim under the **policy**.
- The instalment payments are not up to date under a **credit agreement**. **You** may be charged a proportionate amount to bring **your** payments up to date, together with any relevant fee.
- Fraud, deception or not providing information as referred to in 11.2 above and 11.11 below.

Where a policy is cancelled for whatever reason, the instalments that have been paid may not be sufficient to pay for the cover received. In this case, the amount owed for the cover received will need to be paid after cancellation plus any interest and fees that apply, see the credit agreement.

Please note

- If **you** have bought any extra cover to run with **your policy**, **you** should see the **policy** wording for any refund due when **you** cancel.
- Any refund or payment due to **you** will be credited to the last card used or may be paid towards another card if **you** ask and the **insurer** agree.
- Cancelling any Direct Debit Instruction with **your** bank does not cancel **your policy**, unless it is **your** first payment due for **your** renewal. **You** must tell **us you want to cancel**.

Under the Road Traffic Act, it is an offence:

- to drive or allow others to drive **your** vehicle if **you** do not have valid insurance, or
- to own a vehicle (unless a **SORN** has been provided to the DVLA) if **you** do not have valid insurance.

11.7a If you cancel your policy

You have the right to cancel **your policy** at any time through [Your Account](#).

We will cancel the **policy** from the date **you** contact **us**, or from any later date **you** ask. **You** cannot cancel the **policy** from an earlier date.

11.7b If we cancel your policy

The **insurer** can authorise **us** at any time to cancel **your policy** by sending **you** seven days written notice to the last postal or e-mail address **we** have for **you** on **our** system. Examples of when **we** can do this include:-

- if **you** fail to keep up to date with the instalment payments due under your **credit agreement**
- if **you** make a change to **your policy** which would mean that the **insurer** is no longer able to insure **you**
- if **you** fail to respond to reasonable requests for information by **your insurer** or **us** or an agent acting on behalf of the **insurer**;
- if **you** fail to comply with the **policy** terms, exceptions and conditions including these General Conditions
- if **you** do not tell **us** information as outlined in section 11.2, or
- if **you** use threatening or abusive language or behaviour, or intimidate or bully our employees or your insurer's staff or suppliers
- if **you** fail to pay the premium

We may also cancel the **policy** for fraud or misrepresentation as set out in paragraph 11.11 of these General Conditions.

11.8 Total loss

If **your car** is considered a **total loss**, it will become the **insurer's** property. Any **unpaid premium** owed may be taken from the settlement amount paid to **you**. If **you** are paying **your policy** by instalments under a **credit agreement** with **us** and **your insurer** settles a **total loss** claim, **your credit agreement** with **us** may entitle **us** to take the outstanding amount due for your **credit agreement** out of the claims settlement.

The **insurer** may give **you** the option to insure another vehicle under **your** existing **policy**. Any change to **your policy** is subject to the **insurer's** agreement and may not be acceptable. There may be an extra premium to pay. If the **insurer** cannot agree with **you** terms for another vehicle, or **you** do not want to insure another vehicle, all cover under the **policy** will end as soon as the car is declared a **total loss**. Any **unpaid premium** owed may be taken from the settlement amount paid to **you**.

If **your car** is under a hire-purchase or leasing agreement, the **insurer** will pay the agreed settlement sum direct to the hire-purchase or leasing company to clear all or part of the amount owing. The balance, if any, will be paid to **you**.

11.9 If you do not pay the premium

If **you** have not paid **your** entire premium, the **insurer** may take off any **unpaid premiums** from any claim settlement **they** pay **you**. If **you** are paying by instalments under a **credit agreement** and do not keep up to date with **your** payments, **they** may not pay **your** claim and may cancel **your policy**.

If there is a change to the **policy**, **you** miss an instalment due under a **credit agreement**, owe anything after cancelling the **policy**, or **you** have to pay any fees or charges, **you** will allow for (or have the authority of the cardholder to give **us**) continuous authority to charge the card originally used, or the last card for which **is** held on record to process any related payments. If **you** are paying by instalments, **you** grant **us** the right to change **your** remaining payment plan to reflect any changes. If **you** have no remaining premium, **you** grant the right to charge the card originally used, or the last card for which is held on record, to process any fees or charges applied.

You are responsible for keeping up the payments, and if **you** fail to do so, **your policy** may be at risk. If **the insurer** needs to appoint a debt-recovery agent to collect any outstanding premiums, or amounts due under a **credit agreement**, or **we** need to appoint a debt-recovery agent to collect any fees or charges, **you** will be legally responsible for paying all collection fees and commission.

11.10 Suspending your policy

You cannot suspend this insurance.

11.11 Fraud

If **you** or anyone acting for **you** deliberately or recklessly misrepresents information or fails to reveal facts asked by or on behalf of the **insurer** when taking out the **policy**, making changes to it, or at renewal and this affects the **terms** and conditions or the decision to offer cover, **your policy** and any other policies **you** have will be cancelled or voided immediately without further notice. The **insurer** may recover any costs **they** have incurred including claims costs, and will not return any premium **you** have already paid.

If **you** or anyone acting for **you** carelessly misrepresents or fails to reveal facts asked by or on behalf of the **insurer** at the time when taking out the **policy**, making changes to it, or at renewal and this affects the **terms** and conditions or the decision to offer cover this may result in an extra premium being charged or **your policy** being cancelled. The **insurer** may recover any costs **they** have incurred including claims costs.

If the **insurer**, acting reasonably and in accordance with standard industry practice, suspects that information or facts shared by **you** or anyone acting for **you** at the time when taking out the policy, making changes to it, or at renewal are inaccurate, false or misrepresented in any way and this affects the terms and conditions or the decision to offer cover, **your policy** and any other policies **you** have may be cancelled or voided immediately without any further notice. The **insurer** may recover costs **they** have incurred including claim costs, and may not return any premium **you** have already paid.

The **insurer** will not pay a claim which is in any way fraudulent, false or exaggerated or if **you** or anyone acting for **you** makes a claim which is false or fraudulent. In these circumstances the **insurer** may cancel or void **your policy** immediately without further notice, and any other policies that **you** may have with **us** will be treated in the same way. The **insurer** may recover any costs **they** have incurred including claims costs, and will not return any premium **you** have already paid.

If **you** or anyone acting for **you** buys a **policy** with the **insurer** using an unauthorised intermediary or insurance broker, **your policy** will be cancelled or voided immediately without further notice. We may recover any costs we have incurred including claims costs, and will not return any premium **you** have already paid.

11.12 Insurers' right of recovery

If **they** need to pay a claim under the law of any country in which this **policy** operates (including settling a claim on a reasonable basis if the **insurer** believes **they** will have legal responsibility for it), which **they** would not otherwise be legally responsible to pay had the law not existed, the **insurer** can recover those payments (including the legal costs of reasonably defending the claim) from **you**. This will apply if **you** or any other insured person or any person using the vehicle with **your** permission:

- caused the loss directly or indirectly;
- caused, or allowed, the vehicle to be driven by an uninsured driver; or
- through an act or failure to act, caused this insurance to be invalid.

11.13 Other insurance

The **insurer** will not pay any claim if the loss, damage or liability is covered wholly or in part by another insurance policy.

This condition does not apply to Section 7.1 – Personal Accident.

11.14 Residency

To qualify for cover under this **policy you** and any drivers named on the **Certificate of Motor Insurance** must have permanently lived in the UK for at least the last two years before cover commencing.

11.15 Volunteering Use

Social domestic and pleasure use includes use of **your car** for voluntary purposes. No payment or income should be received other than reasonable expenses to cover running cost such as fuel.

11.16 Motor trade

This policy is not used to facilitate the purchase, sale, rental or recovery of any car:

- for profit or
- in connection with trade or business

Failure to comply with the above could result in any claim being refused and/or **your** policy being cancelled.

Extra conditions – endorsements

These will apply if they are shown on your Schedule

Endorsement 1 – Vehicle

You are responsible for the first amount of each claim under section 1 Accidental damage and section 2 **Fire** and **theft** in relation to loss of or damage to **your car**. This amount is increased from the standard **excess** listed on **your Schedule** by one of the amounts below. The additional **excess** is shown by having Endorsement 1 printed on the **Schedule**. This **excess** will apply as well as any standard **excess** (or **excesses**) which applies to the **policy** section under which the claim is being made.

- A** **£50** additional accidental damage **fire** and **theft excess**
- C** **£100** additional accidental damage **fire** and **theft excess**
- E** **£150** additional accidental damage **fire** and **theft excess**
- G** **£200** additional accidental damage **fire** and **theft excess**
- O** **£400** additional accidental damage **fire** and **theft excess**

Endorsement 2 – Keeping in a garage

If **you** do not keep **your car** in a locked private garage between 10pm and 6am when **your car** is parked at or near **your home**, **you** will be responsible for an extra £250 of each claim under Section 2 **Fire** and **theft** in relation to loss or damage to **your car** arising from **theft** or attempted **theft**. This amount applies as well as any other **excess** (or **excesses**) shown on the **Schedule**.

Endorsement 3 – Security

The **insurer** will only be legally responsible for claims arising under section 2 **Fire** and **theft** when a Thatcham category 1 or 2 immobilising device or tracker device has been fitted to **your car** in line with the manufacturer's instructions and is operating at all times **your car** is left unattended.

The **insurer** will need proof the device is fitted to **your car** before **your insurer** will consider any claim under section 2 **Fire** and **theft**.
