#### Welcome,

Thank you for choosing car insurance through 1st Central. We are delighted to welcome you as a valued customer.

Your insurance policy is arranged by 1<sup>st</sup> Central, which is the brand name of First Central Insurance Management Ltd. The motor insurer is named on your Certificate of Insurance.

1<sup>st</sup> Central acts for you, as an intermediary, when it arranges this motor insurance. We set out our role in detail in the accompanying document "About Our Insurance Service (AOIS)".

In this document you will find at the outset a '**Private Car Policy Summary**' which outlines the terms of your insurance cover. You will then find two sets of contracts, both of which are legally binding.

The first and main set of contracts is the motor insurance policy and the insurance of Key Assist. ('the **Insurance Contract**'). The **Insurance Contract** contains the terms and conditions of your insurance cover. The motor insurer is named on your Certificate of Insurance and the names of the insurer which provides the Key Assist benefits appear in Section 8. Your premiums on the **Insurance Contract** are due to the Insurer and are payable to the insurers via 1<sup>st</sup> **Central**. 1<sup>st</sup> **Central** holds any money it receives for the insurers on their behalf.

The second contract is the 'Intermediary Contract' with 1<sup>st</sup> Central. 1<sup>st</sup> Central sets up your motor insurance and provides you administrative services in relation to your Insurance Contract on the terms of this contract. The administrative fees which you pay on the Intermediary Contract such as set up or cancellation fees are due and payable to 1<sup>st</sup> Central alone.

1st Central will not pay interest to you in any circumstances. However, this does not affect the rights you normally have by law.

Both the **Insurance Contract** and the **Intermediary Contract** are yearly contracts, which may automatically renew at the end of each year.

Please read this document in full together with your Schedule, Certificate of Motor Insurance, Statement of Fact and endorsements, as together these documents form the contracts to which you have agreed.

To make a claim, go online to Your Account or call 0333 043 2011.

Kind regards,

A Complete

#### **Your Insurance Contract**

This section makes up part of **your Insurance Contract** and includes the terms of **your** motor insurance. Please read it together with **your Schedule**, **Certificate of Motor Insurance**, **Statement of Fact** and **endorsements**, as together these documents form the **Insurance Contract** between **you** and the **insurer**. The Key Assist benefit is provided by Motorplus Limited t/a Coplus and is underwritten by Bastion Insurance Company Limited and RAC Breakdown Cover is provided by RAC Motoring Services and/or RAC Insurance Limited.

This contract is based on the information **you** provided when **you** applied for this insurance, which is shown on the Statement of Fact that have been declared to be correct. **Please take time to check the information shown.** If any of this information is incorrect, please go to **Your Account** and make any suitable changes to bring your policy up to date.

In this **document you** will find a summary of **your** insurance cover at page 6, information about changes which may affect **your** policy and how **you** must tell the **insurer** straight away about any changes **you** make at page 14, as well as how to tell the **insurer** about any claim at page 12. Full information about the cover under **your** insurance policy cover can be found from page 16 onwards.

If your policy does not meet your needs, please return all documents, including the **Certificate of Motor Insurance**, within 14 days. As long as **you** have not made a claim and **you** have not been involved in an incident that might give rise to a claim under the policy, **your insurer** will refund the premium paid less a charge for the number of days covered by the **policy**. Please see the **Intermediary Contract** for information about the set-up fee charge and any applicable cancellation fees.

The legally-binding policy wording is part of the **Insurance Contract** between **you** (the policyholder) and the insurer (as shown on **your** current **Certificate of Motor Insurance**). The parties to the Insurance Contract are **you** and the **insurer**. **Your insurer** has agreed to provide cover for **you** (under the terms, conditions, limits and exclusions in this document and within the geographical limits (defined in section 6)) against **your** liability (legal responsibility) for loss, destruction, accidental injury, or damage that may happen during any period of insurance in connection with **your** car.

Nothing in this contract will create any rights to anyone else under the Contracts (Rights of Third Parties) Act 1999 and no change to this contract, nor any extra agreement, will create these rights unless stated in the policy. This does not affect any right or remedy of someone else that they may have aside from this act. If there is more than one **insurer** providing this insurance, they are each acting alone and not jointly. If one of the **insurers** does not for any reason meet all or part of their responsibilities under the policy, the other **insurers** will have no responsibility for those obligations.

So that this document may be signed and issued as evidence of the **Insurance Contract**, the **insurer** has entered into an agreement with **1**<sup>st</sup> **Central** to allow **1**<sup>st</sup> **Central** the right to sign this contract.

# What to do if you have an accident

You can log your claim online in <u>Your Account</u> or call our 24-hour claims helpline number: 0333 043 2011 (or +44 (0) 333 043 2011 from overseas)

If you, or your car, are involved in any type of accident or loss, you or the other named driver (as shown on the Certificate of Motor Insurance) must tell the insurer within 48 hours of the incident by phoning the number above. You must do this whether or not you are at fault and even if you do not plan to claim. The insurer's team will help you to arrange fast and efficient repairs (if your cover is appropriate) through the insurer's extensive approved repairer network. Using the insurers' approved repairer network has several benefits.

- You will not need to get estimates.
- You will be given a courtesy car, free of charge, while your car is repaired. (This depends on what is available, and the insurer cannot guarantee that this will be the same size or model as your car.)
- The bill will be settled directly with them. **You** only need to pay the **excess** and any other amount that **you** will have been told about.
- You can arrange for your car to be collected from your home or place of work and they will also deliver
  it back.
- The **insurer's** approved repairer's work is guaranteed for five years.
- Your car will be washed and cleaned before being returned to you.

If you choose not to use the **insurer's** approved repairer network, this may lead to delays in arranging repairs to **your car**. **You** will also have to pay an extra **excess** as well as any other **excesses** under this **policy**. The **insurer** will not guarantee the repairs and will not provide a courtesy car.

The **insurer** may move **your car** to safe and free storage. **You** should remove any personal possessions from the **car** as soon as **you** are able.

Strict timescales have been set for dealing with claims, in particular those involving bodily injury. A delay may affect **your insurer's** ability to provide the best defence on **your** behalf. This kind of delay can result in high costs for **your insurer** which may go against **your** driving record or, in extreme cases, may result in **your** cover being refused.

#### Please remember

- When reporting a claim, please have **your policy** number ready (it is shown on **your Schedule** and **Certificate of Motor Insurance**).
- Calls, emails, text messages or other communications may be monitored or record in line with UK law (for example, but not limited to, for business purposes such as quality control and training).

As long as they are named on the **policy**, the **insurer** or those acting on **their** behalf will deal with **your husband**, **wife or partner** who may call on **your** behalf. The **insurer** or those acting on **their** behalf will also speak with the named driver (as shown on the **Certificate of Motor Insurance**).

# **Customer Information**

#### Demands and needs

1st Central insurance meets the demands and needs of those who want to make sure that, if they are involved in a motor accident, claims against them by anyone else for personal injury or damage to property during the period of insurance will be met. Cover may be extended to include fire, theft and accidental damage to the insured vehicle.

#### Automatic renewal

The insurer may automatically renew your Insurance Contract at the end of your 12-month period of insurance by using the personal and payment details you originally supplied or have since updated. You will be contacted before your renewal date and be provided with information about the Insurance Contract so that you can make an informed decision about your policy and decide if you want to renew. Whether or not you receive a renewal reminder, it is still your responsibility to make sure your insurance is valid and in force. If you pay by instalments and have received a default notice in your policy term, you may not be able to use the monthly payment option when you are due to renew. If your first monthly payment cannot be collected when your policy has renewed, it will be assumed that you'd prefer to not continue your insurance and the insurer will cancel your policy from your renewal date.

#### **Supporting documents**

The insurer may ask to see a copy of your driving licence and proof of your no-claims discount. If you fail to provide these when asked, the insurer may cancel your policy.

#### **Electronic documents**

Your policy documents and Certificate of Motor Insurance are available online, and only in limited circumstances will **you** be written to by post. Because of this, **you** must provide a valid email address.

# Providing all the facts

When asked, if you do not reveal all relevant facts your insurance may not be valid and will not protect you if you need to make a claim. In particular, you should tell the insurer about any incidents (whether your fault or not, and whether you claimed or not). It is an offence to make false statements or withhold information to get motor insurance. The insurers may charge the correct premium, cancel your policy or make it void from the start date (inception) if you misrepresent or deliberately fail to reveal facts that would affect either the terms and conditions of the **policy** or the decision to provide insurance. In this case, the **insurer** may aim to recover any costs they have had to pay and may not return any premium you have paid. You may also be charged cancellation fees under the Intermediary Contract.

#### **Motor Insurance Database**

Information relating to **your** insurance **policy** will be added to the Motor Insurance Database (MID) managed by the Motor Insurers' Bureau (MIB). MID and the data stored on it may be used by certain government and other organisations including the police, the DVLNI, the Insurance Fraud Bureau and other organisations allowed by law for purposes including:

- I. electronic licensing
- II. continuous insurance enforcement
- III. law enforcement (prevention, detection and catching or prosecuting offenders)
- IV. providing government services or other services aimed at reducing the level and incidence of uninsured driving.

If **you** are involved in a road-traffic accident (either in the UK, the European Economic Area or certain other territories), the **insurer**, the MIB or someone making a claim (including their appointed representatives) may search the MID to get relevant information.

It is vital that the MID holds **your** correct registration number. If it is incorrectly shown on the MID, **you** are at risk of having **your** vehicle seized by the police. **You** may check **your** correct registration number details are shown on the MID at www.askmid.com. **Insurers** have up to seven days to give the MID **your** details. Please contact **us** immediately if **you** find **your** registration number does not appear correctly.

- what you use your car for;
- where your car is kept;

- if you or anyone covered by this policy no longer live in the UK.

- if you or anyone covered by this policy has an accident or claims under another motor insurance policy.

If the **insurer** accepts a change to **your policy**, **you** may have to pay an extra premium to the **insurer**. Or, **you** may be due a refund of **your** premium from the **insurer**. To make any changes to the **policy** all payments must be up-to-date and **you** must not owe **us** or the **insurers** any money under any contract.

The **insurer** will not pay more than the **market value** of **your car** at the time of the loss or damage, less the total **excesses** and any **unpaid premium**. If **your car** is considered to be a **total loss** or stolen and is under a hire purchase agreement, the **insurer** will settle the claim directly with the owner of the car (i.e. the hire-purchase company). The balance, if any, will be paid to **you**. If **your car** is considered to be a **total loss** or stolen and is under a lease or contract hire agreement, the **insurer** will pay the owner of the car (i.e. the lease or contract hire company) either the **market value** of the vehicle, or the amount required to settle the agreement, whichever is less.

The **insurer** may use parts which are not made by the manufacturer of **your car**, but are of equivalent type and quality to the parts replaced. This may include recycled parts or parts made from recycled materials. If any parts that need replacing are no longer available in the UK, the most the **insurer** will pay is the cost shown in the manufacturer's latest price guide plus an amount for fitting. - it has suffered damage covered by this section; and
- the cost of repairing it will be more than 59% of the last UK list price (including taxes).

  - You still have your car, and it is not damaged beyond economic repair, stolen or sold and it has a valid road fund licence and a valid MOT (if applicable).

Cover also applies to any accident involving injury or damage caused by a trailer, vehicle or caravan towed by this **car**.

The cover provided under this Section 4.2 is for **you** only and it is third party only.

#### b) Liability cover for other people

#### What is covered

The insurer will also provide cover under 4.1 above for:

- The reasonable legal fees of solicitors the insurer has approved to represent anyone insured under this
  policy at a coroner's inquest or fatal accident enquiry.
- The reasonable fees for legal services, which the **insurer** will arrange, for defending a charge of manslaughter, causing death or serious injury by careless, inconsiderate, dangerous, or reckless driving, if the prospect of success is more than 50 percent.

# d) Emergency medical treatment

#### What is covered

The **insurer** will pay for emergency treatment fees in line with the Road Traffic Act resulting from an accident covered by this **policy**.

If anyone insured by this section dies, the **insurer** will extend the cover they were entitled to so that it covers their personal representative.

#### What is not covered under section 4

These exceptions apply to all of Section 4. No cover will be provided under this policy in respect of:

- Amounts over £20,000,000 for any claim or series of claims for loss of or damage to property including any indirect loss or damage caused by one event, plus any amount over £5,000,000 for all costs and expenses.

  driving while under the influence of alcohol or drugs, the insurer can recover any amount from you that
  they have to pay.
- Anyone who is not driving, but who makes a claim, if they knew the driver did not hold a valid driving licence.

# Section 5 - No claims discount

If **you** make a claim or one arises under this **policy**, **your** no claims discount **will be reduced** at renewal in line with the scale shown here.

# The effect of claims on your no-claims discount (NCD)

	NCD at next renewal without protection		NCD at next renewal with protection
Number of years' NCD when you renew	One claim where you are at fault in the next 12 months	Two or more fault claims in the next 12 months	One or more fault claims in the next 12 months
1 year	0	0	1 year
2 years	0	0	2 years
3 years	1 year	0	3 years
4 years	2 years	0	4 years
5 to 7 years	3 years	0	5 to 7 years
8 or more years	4 years		8 or more years (see below)

This is equal to the amount of NCD you have at the beginning of your policy.

- If you make two or more claims in any period of insurance, the insurer will reduce your no claims discount to zero years.
- The following will not reduce your no-claims discount.
  - I. Any payment made under section 3 Windscreen cover.
  - II. Any payment for emergency treatment fees under section 4d Emergency medical treatment.
  - III. Claims where **you** are not at fault, as long as the **insurer** has recovered all the money **they** have paid from those who are responsible.
  - IV. Any payment made under section 8 Key Assist
  - V. Any claim made on your RAC Breakdown Cover

#### Protected no claims discount

If **you** have bought protected no claims discount:

- the insurer will not reduce your no-claims discount if you make a claim or claims under the policy;
- the insurer will not cancel your policy as a result of the number of claims made under the policy; and
- your no claims discount protection may end if the insurer is made aware of a change in your circumstances that makes you ineligible or if the policy ends or is cancelled under General condition 11.7a or 11.7b.

Your no-claims discount protection does not protect your premium from increasing when you renew your policy. However, the insurer's calculation of your premium will include the no-claims discount you are entitled to.

#### **Important**

- If **you** make a claim during any **period of insurance**, **you** will not earn any no-claims discount entitlement for that insurance period.
- If you make a claim and the insurer has already worked out your renewal premium, the insurer can change or remove your no-claims discount entitlement and change your renewal premium.

# Uninsured driver promise

If you have an accident with an uninsured driver and it was not your fault, your no-claims discount will not be reduced and you will not be charged a policy excess. However, you may temporarily lose your no-claims discount and pay the policy excess until the insurer is satisfied that the accident was not your fault and the other driver was uninsured. The insurer will then reinstate your no-claims discount and reimburse any policy excess paid depending on the following conditions.

- You give the insurer the vehicle make and model and registration number of the other car that caused the damage.
- The name and address of the other driver.

## Getting your passengers home

We will provide alternative transport as above to get the passengers back home if:

- The **vehicle** is brought back **home** under Section D4; or

   D3 until the vehicle is brought back to the UK, up to 2 consecutive days;

We will take the passengers in the vehicle home under Section D3 (Onward Travel in Europe).

It is **our** decision whether to get the **broken down vehicle home** or have it repaired locally. **We** will follow **your** motor insurer's decision whether to get the **vehicle home** or have it repaired locally following a **road traffic collision** covered by **your** motor insurance.

#### What is not covered under section D4:

- Any import duties not relating to the vehicle, for example relating to items carried in the vehicle;
- We will not cover the costs of fuel, insurance or meals; or
- We will only cover costs under this section up to the market value, so if you want us to bring the
  vehicle home and the costs of bringing the vehicle home exceed this amount you will need to pay any
  costs above this amount before we make arrangements.

#### **Important**

- Following **our** authorisation, it can take up to 14 working days for the **vehicle** to be delivered back to the **UK**. At busy times and from some countries it may take longer.

#### What is not covered under section D6:

- If there is another qualified driver who is a passenger and who is fit and legally able to drive the vehicle.
- Any benefits under any other section of this RAC Breakdown Cover.

## Section E – General conditions for Section D

- E1. **We** will not cover any **call-out** for any repairs to a **vehicle** which are not essential in order to continue the **journey**;
- E2. Any **claim** which the **driver** could make under any other insurance policy. If the value of the **call-out** is more than the amount which can be recovered under another policy **we** may pay the difference, subject to the limits as set out in this **RAC Breakdown Cover**;
- E3. You must make sure the **vehicle** meets all relevant laws of the countries visited during a **journey**;
- E4. How the exchange rate is calculated:

- a) Any costs incurred directly by **us** in a currency other than GBP will be converted to GBP at the exchange rate used at the time;
- b) Costs incurred by **you** in a currency other than GBP which are recoverable will be converted to GBP either:
  - i. at the exchange rate used by your credit or debit provider; or
- ii. at the exchange rate used by **us** when **your** claim form is received if **you** paid in cash;
- E5. **We** will not take responsibility for repairs carried out at any garage, and the contract for such repairs will be between **you** and the garage / repairer.
- E6. When a hire car, taxi, hotel or similar benefit is arranged under this **RAC Breakdown Cover**, **we** will always try to find a suitable option that is available at the time, however:
  - a) **we** are not responsible for the quality or service of each individual hotel, train or taxi booked; and
  - for hire cars, whilst reputable companies are used, we are unable to and cannot be responsible for checking the condition of each vehicle or the quality of service provided by each company;
- E7. If, following a **breakdown**, the **vehicle** needs to be repaired, **you** must not delay or refuse repairs whilst **you** are in **Europe**. If **you** do, and in **our** reasonable opinion that would lead to additional costs being incurred, **we** reserve the right to refuse to provide cover under Section D3 (Onward travel in Europe) or Section D4 (Getting your vehicle home);
- E8. If the **breakdown** or **road traffic collision** is caused by flooding brought about by adverse weather **we** will only arrange for the **vehicle** to be taken to a local repairer. All further service will be an additional cost paid by **you**, or must be referred to the **vehicle's** motor insurer:
- E9. In handling **breakdown call-outs** there may be more than one option available to **you** under this **RAC Breakdown Cover**. **We** will decide which is the most appropriate option based on **our** expertise in **breakdown** situations. In doing so **we** will act in consultation with **you**, and act reasonably at all times;
- E10. This RAC Breakdown Cover does not cover:
  - a) vehicle storage charges, other than under Section D4;
  - b) **call-outs** if **you** are not carrying a serviceable spare tyre, the tyre repair equipment provided by the manufacturer or a locking wheel nut;
  - the hire of minibuses, motorhomes, motorcycles, caravans, trailers or vans;
  - d) overloading of a vehicle under the laws in any country in which the vehicle is travelling;
  - e) **breakdowns** or **road traffic collisions** caused by running out of oil or water, frost damage or rust or corrosion.

# Section F - General conditions

The following conditions apply to all sections of this **RAC Breakdown Cover**. If **you** do not comply **we** can refuse cover and/or cancel **your RAC Breakdown Cover**.

- F1. You must pay your premium.
- F2. **You** must request services directly from **us**, as **we** will only provide cover if **we** make arrangements to help **you**.

- F3. Where the **breakdown** is caused by a component failure this must stop the **vehicle** from working, so for example an air-conditioning failure in itself does not constitute a **breakdown**, and the illumination of a warning light does not always constitute a **breakdown**. If it does not, **you** will need to take **your vehicle** to a place of repair and **your RAC Breakdown Cover** will not cover this.
- F4. **We** will not cover any **claim** where the **vehicle** is already at a garage or other place of repair.
- F5. Where **we** deem, acting reasonably, that **you** requested service to avoid the cost of repairing the **vehicle**, or to correct an attempted repair by someone else, **we** will not provide cover.
- F6. A **driver** must be with the **vehicle** when **we** attend.
- F7. You are responsible at all times for the care of your personal belongings, valuables, luggage and goods in or on a vehicle. We will not be responsible for any loss of or damage to them.
- F8. Where we recover passengers under the age of 16, they must be accompanied by an adult.
- F9. **We** will not allow animals in **our** vehicles, except guide dogs. Any animals can remain in the **vehicle** at the **driver's** own risk. **We** will not be liable for any injury to animals, or damage caused by them. **We** will not transport any livestock. **We** will not be responsible for any costs relating to animals.
- F10. The **vehicle** must not carry more passengers than the number stated in the **vehicle's** registration document. Each **passenger** must have a separate fixed seat fitted to the manufacturer's specification and any child must occupy a properly fitted child seat.
- F11. Where **we** provide a repair to the **vehicle**, whilst **we** are responsible for that repair, this does not mean that **we** are confirming the legal and roadworthy condition of the **vehicle**. This remains **your** responsibility.
- F12. **We** will not be responsible for any losses that may incur following a **breakdown** that are not expressly covered by this **RAC Breakdown Cover**. For example, **we** will not pay for any loss of earnings or missed appointments.
- F13. **We** do not guarantee that recovery to any garage will be during opening hours, or that repairs can start immediately. Whilst **we** will try to check that the garage will undertake the type of repairs required, **we** cannot guarantee this. **We** will not take responsibility for repairs carried out at any garage and the contract for such repairs will be between **you** and the garage / repairer.
- F14. During extreme weather, riots, war, civil unrest, industrial disputes, **our** services can be interrupted. **We** will resume **our** service to **you** as soon as **we** can in these circumstances.
- F15. The cost of the following is not covered by this RAC Breakdown Cover:
  - a) specialist equipment;
  - b) ferry charges for the **vehicle** and **our** vehicle;
  - any damage to glass even if the damage means the vehicle cannot be legally or safely driven. We will arrange transport to a local garage so you can arrange to get the vehicle fixed but you will have to pay for this;
  - d) spare tyres and wheels and repairing or sourcing them; or
  - e) recovery by someone other than **us** even if this is requested by the emergency services. **We** will only provide recovery once instructed to do so by the emergency services.
- F16. In handling any **claim** there may be more than one option available to the **driver** under this **RAC Breakdown Cover. We** will decide which is the most appropriate option based on **our** expertise in **breakdown** situations. In doing so **we** will act in consultation with the **driver**, and act reasonably at all times.

- F17. The **vehicle** must be privately owned and only used for private use, including use for social, domestic and pleasure purposes and commuting to and from a permanent place of work or any business use other than hire and reward and/or courier services.
- F18. This **RAC Breakdown Cover** does not cover:
  - a) routine servicing, maintenance or assembly of the vehicle;
  - b) caravan or trailers, except as described under Section A;
  - c) use of **your vehicle** for business, including for example demonstrating or carrying trade plates;
  - d) breakdowns resulting from activities that are not subject to the normal rules of the road for example rallies, stock car racing, use of the Nürburgring or other formal or informal race events:
  - e) **breakdowns** that occur off the public highway to which the **driver** or **we** have no legal access;
  - f) the **vehicle** if it is not legally taxed, insured and holding a valid MOT which is required by law or is not being used in line with the manufacturer's guidelines;
  - g) vehicles that are not in a roadworthy condition. If we consider, acting reasonably, that the vehicle is not in a legal or roadworthy condition, we can refuse to provide service. If you can demonstrate that the vehicle is roadworthy we will provide service;
  - h) any **claim** that is or may be affected by the influence of alcohol or drugs;
  - i) any breakdown that is caused by or as a result of vehicle theft or fire; or
  - j) any claim under this RAC Breakdown Cover where the breakdown was first reported to us under a different policy.
- F19. If the **driver** is asked to review and approve a document recording the condition of the **vehicle**, including an electronic form, it is **their** responsibility to ensure that the record is accurate and complete, and **we** will not be responsible for any errors or omissions.

### **Additional Benefits**

The following are provided at no additional charge:

### Service in the Republic of Ireland

If the **vehicle** has **broken down** in the Republic of Ireland, **we** will provide a Roadside attendance service only, as described under Section A (Roadside). If **your home** address is in Northern Ireland and **you** have purchased Section C (Recovery), **we** will recover the **vehicle** to **your home**, or to another destination in Northern Ireland if the distance is less.

#### Urgent message relay

If the **vehicle** has **broken down** and the **driver** needs to get in touch with friends and family urgently, **we** will get a message to them.

### Replacement driver

If the **driver** becomes ill during a journey in the **UK** and no one within the party can drive the **vehicle**, **we** may be able to provide a replacement driver. This service is discretionary, and **we** will decide whether or not to provide this service.

## **Additional services**

We can provide additional services that are not included in your RAC Breakdown Cover but we will charge you for these, for example to:

- Purchase the parts you need to get on your way;
- Pay for **specialist equipment** to complete the repairs;
- Extend the hire time for a replacement car;
- Arrange a second or extended recovery; or
- Attend a mis-fuel event.

If you need extra help, we will agree the costs up front and will need full payment before we can help. If you took out the RAC Breakdown Cover, you will be responsible for any additional charges so if we help someone under your RAC Breakdown Cover and they cannot pay, we will invoice you. This is why we request proof of identity at the breakdown.

### Misuse of RAC Breakdown Cover

Each driver must not:

- 1. Behave inappropriately towards **us**, including acting in a threatening or abusive manner, whether verbally or physically;
- 2. Persuade or attempt to persuade us into a dishonest or illegal act;
- 3. Omit to tell **us** important facts about a **breakdown** in order to obtain a service;
- 4. Provide false information in order to obtain a service;
- 5. Knowingly allow someone that is not covered by **your RAC Breakdown Cover** to try and obtain a service under this **RAC Breakdown Cover**:
- 6. Pay for additional services or goods in the knowledge that the payment has or will fail, with no intention of providing alternative payment.

If these conditions are not complied with, we may:

- 1. Restrict the cover available to **you** at the next renewal;
- 2. Restrict the payment methods available to you;
- 3. Refuse to provide any services to you under this RAC Breakdown Cover with immediate effect;
- 4. Immediately cancel this RAC Breakdown Cover; and
- 5. Refuse to sell any **RAC Breakdown Cover** or services to **you** in the future.

We may also take any of the additional steps as set out above if any claim is found to be fraudulent in any way, and the RAC Breakdown Cover will be cancelled with effect from the date of the fraudulent act, and the fraudulent claim forfeited. We will not refund any premium. We will notify you in writing if we decide to take any of the above steps.

The **insurer** will not cover any accident, injury, loss, damage or liability when **your car** is in an area or airport premises where aircraft are usually to be found taking off, landing, maneuvering or parked or to which the public does not have free access for vehicles.

## 10.10 Racing, track days and off-road events

The **insurer** will not cover any accident, injury, loss, damage or liability caused by or arising out of the use of **your car** for racing formally or informally against any other motorist or road user on a public road or highway, or at any event during which it may be driven on a motor racing track, airfield, Nürburgring Nordschleife or any other off-road area or for racing, pace making, rallying, track days, trials, speed tests, or driving competitively, irrespective of whether this takes place on a public road or highway, or any circuit or track, formed or otherwise. This exception applies regardless of any statutory authorisation of any such event.

## 10.11 Dangerous locations

The insurer will not cover any accident, injury, loss, damage, liability caused or arising at any of the following.

- Ministry of Defence premises or military bases other than areas specifically restricted to access or parking by the general public.
- Power stations or nuclear installations or establishments.
- Refineries, bulk-storage or production premises in the oil, gas or chemical, explosive, ammunition or pyrotechnic industries.

## 10.12 Dangerous goods

The **insurer** will not cover any accident, injury, loss, damage or liability caused by or arising out of carrying dangerous goods. These are goods or substances referred to in the European Agreement to do with the International Carriage of Dangerous Goods by Road (ADR), for example explosive substances, gases, solids or liquids which catch fire easily, self-reactive substances and solid desensitized explosives, substances which give off gases that can catch fire when in contact with water, substances which can catch fire when in contact with water, organic peroxides, oxidizing, toxic or infectious substances, radioactive material and corrosive substances.

## 10.13 Seized, clamped or recovered vehicles

The **insurer** will not cover any loss or damage due to any government, public or local authority legally taking, keeping or destroying **your car**.

### 10.14 Criminal and Deliberate Use

The **insurer** will not cover any accident, injury, loss, damage or liability caused by or arising out of the use of **your car** (or any other car you are covered to drive under this policy) for criminal purposes (including avoiding lawful apprehension) or deliberate use to cause injury to any person or put any person in fear of injury or to cause damage to other vehicles or property.

## 10.15 Drink and Drugs

If an accident happens while you or anyone named in the **Certificate of Motor Insurance** is driving while unfit through drink or drugs (whether prescribed or otherwise), is convicted of driving whilst over the legal limit for alcohol or drugs, or fails to provide a sample of breath, blood or urine when required to do so without lawful reason, then the **insurer** will not provide any cover under this **policy**.

#### 10.16 Mobile Phone

If an accident happens while you or anyone named in the Certificate of Motor Insurance is driving and is charged or is convicted of using a mobile phone whilst driving, then the insurer will not provide any cover under this policy.

## 10.17 Cyber attack or events

We shall not be liable for any death, bodily injury, loss or damage as a result of interference, malfunction, failure or loss of **Data**, (whether deliberate, unauthorised, criminal or a series of related acts), of the vehicle electronics or **Computer Systems** of artificial intelligence systems caused by or resulting from a **Cyber Act or Cyber Loss**.

## Section 11 - General conditions

These General Conditions apply to all Sections of the policy except Section 8 (Key Assist).

## 11.1 Your duty

The insurer will only provide you with the cover set out in this policy if:

- you and anyone else claiming cover under this **policy** has kept to all the **terms** and conditions of the **policy**; and
- the information you gave on your Statement of Fact or claims report is true and complete.

If the **insurer** discovers that **you** or someone acting for **you** had knowingly provided false information, the **insurer** will make the **policy** void and treat it as though it had never existed and not refund any premium or pay **your** claim. If **you** were not aware that the information **you** had provided was false, depending on the nature of the information, **your insurer** may cancel **your policy** or **you** may be asked to pay an extra premium. **You** may also be charge a cancellation or amendment fee under the **Intermediary Contract**.

**You** must co-operate with **your insurer**, respond to reasonable requests for information or documents, and where necessary be available to speak to **your insurer** or anyone acting on behalf of the **insurer**. This includes if **you** are using someone else to represent **your** interests, whether or not a claim has been made on the **policy**.

If you do not comply with those requirements, the insurer may cancel your policy and your claim may not be paid.

## 11.2 Providing all information

**Your** premium is based on the information **you** supplied when **you** started, amended or renewed **your** insurance. If **you** have failed to give complete and accurate information, this could lead to **your** claim being denied, **you** having to pay any costs or the insurance not being valid.

You must also tell **us** immediately about any changes to the information **you** provided when **you** started, amended or renewed **your** insurance. Some examples of the changes **you** should tell **us** about are set out on page 14 of this **policy**.

## 11.3 Reporting loss or damage

If you or your car is involved in any type of accident or loss, you must tell the insurer within 48 hours of discovering the loss by reporting your claim online in Your Account or by phoning the 24-hour helpline on 0333 043 2011. You must do this whether or not you are at fault and even if you do not plan to claim. (If you want to claim for glass damage to your car only, you must call the 24-hour windscreen helpline on 0333 043 2012 within 48 hours of discovering the damage.)

### You must:

- provide all the information about the accident, loss or claim that the insurer needs;
- tell the insurer at once if you receive any notice of prosecution, inquest or fatal enquiry; and
- send the insurer any writ, summons or letters received in connection with any claim, accident or loss as soon as you receive them.

If **you** fail to report any accident or loss within 48 hours of discovering it, whether **you** were at fault and whether or not **you** plan to claim, the **insurer** may refuse to provide cover.

#### You must not:

- admit that the accident was your fault; or
- attempt to settle the claim unless the **insurer** has given **you** permission in writing.

#### Your insurer is entitled to:

- defend or settle any claim on your behalf;
- take legal action over any claim in your name or the name of any person insured on the policy for their own benefit;
- admit negligence for any accident or claim on your behalf;
- share information with others involved with the accident or claim; and
- take from the claim settlement amount any amount **you** owe under the related credit agreement (if this applies).

## 11.4 Taking care of your car

## You or any other person covered by this insurance must:

- protect your car from loss or damage;
- make sure your car is legally roadworthy;
- allow your insurer or any representative acting on behalf of the insurer to inspect your car at any reasonable time if you are asked; and
- make sure whenever **your car** is unattended that it is secured, locked and the keys (or keyless entry system) are removed. Also make sure that any immobiliser or alarm system is turned on.
- make sure any Advanced Driver Assistance Systems (ADAS) fitted by the vehicle manufacturer to your car are calibrated and updated to the manufacturer's standard.
- make sure that you follow the manufacturer's instructions and load any software and/or safety related updates, this includes any over the air updates that the manufacturer may supply to you as owner of the car.

You should take as many precautions as you can to protect your car.

If an accident happens and the condition of the vehicle caused or contributed to the accident, the **insurer** will not provide any cover under this **policy**.

## 11.5 Car Tax, MOT and Registration

**Your car** must be taxed where applicable and registered in the UK with the DVLA or DVLNI and is covered by a valid Department of Transport test certificate (MOT) if one is needed by law.

## 11.6 Car sharing

The **insurer** will not cover **you** for any accident, injury, loss, damage or liability while **your car** is being used to carry passengers for hire or reward. However, **you** may accept money for fuel if **you** carry passengers for social or similar purposes as part of a car-sharing arrangement as long as:

- your car is not made or adapted to carry more than eight passengers;
- you are not carrying the passengers as customers of a passenger-carrying business; and
- you do not make a profit from carrying the passengers.

## 11.7 Cancelling your policy

If you cancel your **Insurance Contract**, any additional operative section of the policy as detailed within **your schedule** of insurance will also be cancelled automatically at the same time. If **your policy** is cancelled, **the** insurer will return any premium, including the deposit, paid for this **policy** less:

- a charge for the number of days the insurer has provided cover for;
- any fees applicable under the Intermediary Contract;
- any credit finance charges due under a credit agreement;
- any amount you may owe 1st Central or the insurer under any other contract.

If any of the following apply, **you** may not receive any refund and **you** may still have to pay the balance of the full yearly premium and the balance due under your **credit agreement**. This applies in all circumstances no matter what payment method **you** use.

- You have made a claim in the policy year or a claim has been made against your policy.
- You have been involved in an incident which might give rise to a claim under the policy.
- The instalment payments are not up to date under a credit agreement. You may be charged a
  proportionate amount to bring your payments up to date, together with any relevant fee.
- Fraud, deception or not providing information as referred to in 11.2 above and 11.11 below.

Where a policy is cancelled for whatever reason, the instalments that have been paid may not be sufficient to pay for the cover received. In this case, the amount owed for the cover received will need to be paid after cancellation plus any interest and fees that apply, see the credit agreement.

### Please note

- If you have bought any extra cover to run with your policy, you should see the policy wording for any refund due when you cancel.
- Any refund or payment due to you will be credited to the last card used or may be paid towards another card if you ask and the insurer agree.
- Cancelling any Direct Debit Instruction with your bank does not cancel your policy, unless it is your first payment due for your renewal. You must tell us you want to cancel.

Under the Road Traffic Act, it is an offence:

- to drive or allow others to drive your vehicle if you do not have valid insurance, or
- to own a vehicle (unless a **SORN** has been provided to the DVLA) if **you** do not have valid insurance.

## 11.7a If you cancel your policy

You have the right to cancel your policy at any time through Your Account.

We will cancel the **policy** from the date **you** contact **us**, or from any later date **you** ask. **You** cannot cancel the **policy** from an earlier date.

## 11.7b If we cancel your policy

- The **insurer** can authorise **us** at any time to cancel **your policy** by sending **you** seven days written notice to the last postal or e-mail address **we** have for **you** on **our** system. Examples of when **we** can do this include:-
- if you fail to keep up to date with the instalment payments due under your credit agreement
- if you make a change to your policy which would mean that the insurer is no longer able to insure you
- if you fail to respond to reasonable requests for information by your insurer or us or an agent acting
  on behalf of the insurer;
- if you fail to comply with the policy terms, exceptions and conditions including these General Conditions
- if you do not tell us information as outlined in section 11.2, or
- if you use threatening or abusive language or behaviour, or intimidate or bully our employees or your insurer's staff or suppliers
- if you fail to pay the premium

**We** may also cancel the **policy** for fraud or misrepresentation as set out in paragraph 11.11 of these General Conditions.

### 11.8 Total loss

If your car is considered a total loss, it will become the insurer's property. Any unpaid premium owed may be taken from the settlement amount paid to you. If you are paying your policy by instalments under a credit agreement with us and your insurer settles a total loss claim, your credit agreement with us may entitle us to take the outstanding amount due for your credit agreement out of the claims settlement.

The **insurer** may give **you** the option to insure another vehicle under **your** existing **policy**. Any change to **your policy** is subject to the **insurer**'s agreement and may not be acceptable. There may be an extra premium to pay. If the **insurer** cannot agree with **you** terms for another vehicle, or **you** do not want to insure another vehicle, all cover under the **policy** will end as soon as the car is declared a **total loss**. Any **unpaid premium** owed may be taken from the settlement amount paid to **you**.

If **your car** is under a hire-purchase or leasing agreement, the **insurer** will pay the agreed settlement sum direct to the hire-purchase or leasing company to clear all or part of the amount owing. The balance, if any, will be paid to **you**.

## 11.9 If you do not pay the premium

If you have not paid your entire premium, the insurer may take off any unpaid premiums from any claim settlement they pay you. If you are paying by instalments under a credit agreement and do not keep up to date with your payments, they may not pay your claim and may cancel your policy.

If there is a change to the **policy**, **you** miss an instalment due under a **credit agreement**, owe anything after cancelling the **policy**, or **you** have to pay any fees or charges, **you** will allow for (or have the authority of the cardholder to give **us**) continuous authority to charge the card originally used, or the last card for which **is** held on record to process any related payments. If **you** are paying by instalments, **you** grant **us** the right to change **your** remaining payment plan to reflect any changes. If **you** have no remaining premium, **you** grant the right to charge the card originally used, or the last card for which is held on record, to process any fees or charges applied.

You are responsible for keeping up the payments, and if you fail to do so, your policy may be at risk. If the insurer needs to appoint a debt-recovery agent to collect any outstanding premiums, or amounts due under a credit agreement, or we need to appoint a debt-recovery agent to collect any fees or charges, you will be legally responsible for paying all collection fees and commission.

## 11.10 Suspending your policy

You cannot suspend this insurance.

#### 11.11 Fraud

If you or anyone acting for you deliberately or recklessly misrepresents information or fails to reveal facts asked by or on behalf of the **insurer** when taking out the **policy**, making changes to it, or at renewal and this affects the **terms** and conditions or the decision to offer cover, **your policy** and any other policies **you** have will be cancelled or voided immediately without further notice. The **insurer** may recover any costs **they** have incurred including claims costs, and will not return any premium **you** have already paid.

If you or anyone acting for you carelessly misrepresents or fails to reveal facts asked by or on behalf of the **insurer** at the time when taking out the **policy**, making changes to it, or at renewal and this affects the **terms** and conditions or the decision to offer cover this may result in an extra premium being charged or **your policy** being cancelled. The **insurer** may recover any costs **they** have incurred including claims costs.

If the **insurer**, acting reasonably and in accordance with standard industry practice, suspects that information or facts shared by **you** or anyone acting for **you** at the time when taking out the policy, making changes to it, or at renewal are inaccurate, false or misrepresented in any way and this affects the terms and conditions or the decision to offer cover, **your policy** and any other policies **you** have may be cancelled or voided immediately without any further notice. The **insurer** may recover costs **they** have incurred including claim costs, and may not return any premium **you** have already paid.

The **insurer** will not pay a claim which is in any way fraudulent, false or exaggerated or if **you** or anyone acting for **you** makes a claim which is false or fraudulent. In these circumstances the **insurer** may cancel or void **your policy** immediately without further notice, and any other policies that **you** may have with **us** will be treated in the same way. The **insurer** may recover any costs **they** have incurred including claims costs, and will not return any premium **you** have already paid.

If **you** or anyone acting for **you** buys a **policy** with the **insurer** using an unauthorised intermediary or insurance broker, **your policy** will be cancelled or voided immediately without further notice. We may recover any costs we have incurred including claims costs, and will not return any premium **you** have already paid.

## 11.12 Insurers' right of recovery

If **they** need to pay a claim under the law of any country in which this **policy** operates (including settling a claim on a reasonable basis if the **insurer** believes **they** will have legal responsibility for it), which **they** would not otherwise be legally responsible to pay had the law not existed, the **insurer** can recover those payments (including the legal costs of reasonably defending the claim) from **you**. This will apply if **you** or any other insured person or any person using the vehicle with **your** permission:

- caused the loss directly or indirectly;
- caused, or allowed, the vehicle to be driven by an uninsured driver; or
- through an act or failure to act, caused this insurance to be invalid.

#### 11.13 Other insurance

The **insurer** will not pay any claim if the loss, damage or liability is covered wholly or in part by another insurance policy.

This condition does not apply to Section 7.1 – Personal Accident.

## 11.14 Residency

To qualify for cover under this **policy you** and any drivers named on the **Certificate of Motor Insurance** must have permanently lived in the UK for at least three years.

## 11.15 Volunteering Use

Social domestic and pleasure use includes use of **your car** for voluntary purposes. No payment or income should be received other than reasonable expenses to cover running cost such as fuel.

### 11.16 Motor trade

This policy is not used to facilitate the purchase, sale, rental or recovery of any car:

- for profit or
- in connection with trade or business

Failure to comply with the above could result in any claim being refused and/or your policy being cancelled.

## Extra conditions - endorsements

These will apply if they are shown on your Schedule

#### **Endorsement 1 – Vehicle**

You are responsible for the first amount of each claim under section 1 Accidental damage and section 2 Fire and theft in relation to loss of or damage to your car. This amount is increased from the standard excess listed on your Schedule by one of the amounts below. The additional excess is shown by having Endorsement 1 printed on the Schedule. This excess will apply as well as any standard excess (or excesses) which applies to the policy section under which the claim is being made.

A £50 additional accidental damage fire and theft excess
E £100 additional accidental damage fire and theft excess
E £150 additional accidental damage fire and theft excess
E £200 additional accidental damage fire and theft excess
E £400 additional accidental damage fire and theft excess

## **Endorsement 2 – Keeping in a garage**

If you do not keep your car in a locked private garage between 10pm and 6am when your car is parked at or near your home, you will be responsible for an extra £250 of each claim under Section 2 Fire and theft in relation to loss or damage to your car arising from theft or attempted theft. This amount applies as well as any other excess (or excesses) shown on the Schedule.

## **Endorsement 3 – Security**

The **insurer** will only be legally responsible for claims arising under section 2 **Fire** and **theft** when a Thatcham category 1 or 2 immobilising device or tracker device has been fitted to **your car** in line with the manufacturer's instructions and is operating at all times **your car** is left unattended.

The **insurer** will need proof the device is fitted to **your car** before **your insurer** will consider any claim under section 2 **Fire** and **theft**.

## 1<sup>st</sup> Central Intermediary Contract

## **Your Intermediary Contract**

This is your **Intermediary Contract** with **1**<sup>st</sup> **Central** which is the trading name of First Central Insurance Management Limited.

The **Intermediary Contract** is a legally binding contract. It contains the terms and conditions of the intermediary service, what **1**<sup>st</sup> **Central** will do for **you**, and any fees which apply. This information is also set out in the About Our Insurance Services document.

1<sup>st</sup> Central acts as an intermediary for you when instructed by you, by arranging your motor insurance and any ancillary benefits on your behalf from its panel of insurers. When you purchase your insurance product through 1<sup>st</sup> Central you enter into an intermediary contract with us as well as entering a separate contract with the insurer.

Under this contact, 1<sup>st</sup> Central sets up your Insurance with the insurer and provides you administrative services relating to your Insurance Contract; such as making changes to your information at your request.

Any administrative fees payable under this contract, such as set up or cancellation fees, are payable to 1st Central.

This contract is based on the information you provided when you applied for this insurance. If you believe any of the information you supplied is incorrect, please go to <u>Your Account</u> and make any suitable changes to bring your policy up to date.

## The Intermediary Service

**You** will not receive advice or a recommendation from 1<sup>st</sup> **Central** for car insurance and optional extras. Some questions may be asked to narrow down the selection of products. **You** will then need to make **your** own choice about whether to go ahead.

1st Central will provide intermediary services to you under this Intermediary Contract. The intermediary service includes arranging your insurance cover on your behalf. We will also help you with any changes you have to make to your information as required, or changes to the level of cover you wish to have with the insurers. With regards to the level of cover, we will arrange for optional additional cover. We may arrange for additional cover if you require an extension beyond the geographical limits of your policy. We will arrange for cancellation of your policy at your request or communicate to you when your insurer wishes to cancel your policy or has cancelled your policy.

We will arrange for renewal of your policy. We will contact you before your renewal date to give you information about it so that you can make an informed decision about your policy and let us know if you do not want to renew. We will communicate with you when your policy is due to be automatically renewed, or communicate with you should the insurer have decided not to renew your policy. Whether or not you receive a renewal reminder, it is still your responsibility to make sure your insurance is valid and in force. We may provide other intermediary services as requested by you or the insurers.

Only in limited circumstances will **you** be written to by post. Because of this, **you** must provide a valid email address.
