Contracts

This insurance policy document is a legally binding contract. It explains the products on offer, the terms and conditions, and any fees which apply. This does not affect the rights you normally have by law. We will hold all money as an agent of the insurer. We will not pay interest to you from the account used. You can find more details in the policy wording that follows.

Conditions relating to your insurance

- All the information that you provided is shown in the Statement of Fact and must be true and complete as it forms the basis of the insurance contract.
- You must do all you can to protect your car from loss or damage and make sure it is legally roadworthy.
- You must make sure that you check your Schedule for any other endorsements which may restrict cover beyond the exclusions shown below.
- If you fail to keep to any conditions, the insurers may reject your claim. If you fail to pay any instalments when due, we may cancel the policy.

Cancellation within 14 days

From the start of your policy, you have a 14-day period to change your mind. Your insurer will return any premium paid (including your deposit), less:

- a charge for the number of days for which the insurers have provided cover; and
- any fees which may apply as shown in the Important customer information section.

Your insurer will not refund any credit-finance charges. Your insurer will not refund any premium if you have made a claim or have been involved in an incident which might give rise to a claim under the policy. For details of cancelling the policy after the 14 days has passed, please see the General conditions section.

Thank you for choosing 1ST CENTRAL for your car insurance. We are delighted to welcome you as a valued customer.

This is your policy wording. Please read it together with your Schedule, Certificate of Motor Insurance, Statement of Fact and endorsements, as together these documents form the contract between you and the insurer. This contract is based on the information you provided when you applied for this insurance, which is shown on the Statement of Fact that you have declared to be correct. Please take time to check the information shown. If any of this information is incorrect, please call the Customer Services team immediately on 0333 043 2066. You can also call this number if you have any questions about your policy.

You will also find information about changes which may affect your policy and how you must tell us straight away about any changes you make (page 11) as well as how to tell us about any claim (page 8).

If your policy does not meet your needs, please return all documents, including the Certificate of Motor Insurance, within 14 days, to First Central Insurance Management Ltd at Central House, 25-27 Perrymount Road, Haywards Heath, West Sussex, RH16 3TP. As long as you have not made a claim and you have not been involved in an incident that might give rise to a claim under the policy, your insurer will refund the premium paid less a charge for the number of days covered by the policy. We can take off set-up and cancellation fees as shown in the important customer information section.

This is a legally-binding contract of insurance between you (the policyholder) and the insurer (as shown on your current Certificate of Motor Insurance) and the insurers shown in Section 8 Key Assist and Section 9 Legal Expenses and Breakdown Cover. The parties to this contract are you and the insurers. Your insurers have agreed to provide cover for you (under the terms, conditions, limits and exclusions in this document and within the geographical limits (defined in section 6)) against your liability (legal responsibility) for loss, destruction, accidental injury, or damage that may happen during any period of insurance in connection with your car.

Unless otherwise stated in this policy, nothing in this contract will create any rights to anyone else under the Contracts (Rights of Third Parties) Act 1999 and no change to this contract, nor any extra agreement, will create these rights unless we say so in the policy. This does not affect any right or remedy of someone else that they may have aside from this act. If there is more than one insurer providing this insurance, they are each acting alone and not jointly. If one of the insurers does not for any reason meet all or part of their responsibilities under the policy, the other insurers will have no responsibility for those obligations.

So that this document may be signed and issued as evidence of the contract of insurance, the insurer has entered into an agreement with us to allow our Chief Executive Officer the right to sign and issue this document.

What to do if you have an accident

24-hour claims helpline number: 0333 043 2011 (or +44 (0) 333 043 2011 from overseas)

If you, or your car, are involved in any type of accident or loss, you must tell us within 48 hours of the incident by phoning the number above. You must do this whether or not you are at fault and even if you do not plan to claim. Our team will help you to arrange fast and efficient repairs (if your cover is appropriate) through the insurer's extensive approved repairer network. Using the insurers' approved repairer network has several benefits.

- You will not need to get estimates.
- You will be given a courtesy car, free of charge, while your car is repaired. (This depends on what is available, and the insurer cannot guarantee that this will be the same size or model as your car.)
- The bill will be settled directly with them. You only need to pay the excess and any other amount that you will have been told about.
- You can arrange for your car to be collected from your home or place of work and they will also deliver it back.
- The **insurer's** approved repairer's work is guaranteed for five years.
- Your car will be washed and cleaned before being returned to you.

If you choose not to use the insurer's approved repairer network, this may lead to delays in arranging repairs to **your** vehicle. You will also have to pay an extra excess as well as any other excesses under this policy. **We** will not guarantee the repairs and **we** will not provide a courtesy car.

The **insurer** may move **your car** to safe and free storage. You should remove any personal possessions from the car as soon as you are able.

Strict timescales have been set for dealing with claims, in particular those involving bodily injury. A delay may affect **your insurer's** ability to provide the best defence on your behalf. This kind of delay can result in high costs for **your insurer** which may go against **your** driving record or, in extreme cases, may result in **your** cover being refused.

Please remember

- When reporting a claim, please have your policy number ready (it is shown on your Schedule and Certificate of Motor Insurance).
- **We** may monitor or record calls, emails, text messages or other communications in line with UK law (for example, but not limited to, for business purposes such as quality control and training).

As long as they are named on the **policy, we will** deal with **your husband, wife or partner** who may call **us** on **your** behalf. If **you** would like someone else to deal with **your policy** on **your** behalf on a regular basis, please let **us** know. In some exceptional cases **we** may also deal with other people who call on **your** behalf, with **your** permission. If at any time **you** would prefer **us** to deal only with **you**, please let **us** know.

What service does 1ST CENTRAL provide?

You will not receive advice or a recommendation from 1ST CENTRAL for car insurance and optional extras. Some questions may be asked to narrow down the selection of products. You will then need to make your own choice about how to go ahead.

Automatic renewal

We may automatically renew your insurance contract at the end of your 12-month period of insurance by using the personal and payment details you originally supplied or have since updated. We will contact you before your renewal date to give you information about the insurance contract so that you can make an informed decision about your policy and let us know if you do not want to renew. Whether or not you receive a renewal reminder, it is still your responsibility to make sure your insurance is valid and in force. If you pay by instalments and have received a default notice in your policy term, we may not be able to offer the monthly payment option when you are due to renew. If we cannot collect your first monthly payment when your policy has renewed, we will assume you'd prefer to not continue your insurance and we will cancel your policy from your renewal date.

Supporting documents

We may ask to see a copy of your driving licence and proof of your no-claims discount. If you fail to provide these when we ask, we may cancel your policy.

Electronic documents

Your policy documents and Certificate of Motor Insurance are available online, and only in limited circumstances will **we** write to **you** by post. Because of this, you must give **us** a valid email address.

Giving us all the facts

When asked, if **you** do not reveal all relevant facts **your** insurance may not be valid and will not protect you if you need to make a claim. In particular, **you** should tell **us** about any incidents (whether **your** fault or not, and whether **you** claimed or not). It is an offence to make false statements or withhold information to get motor insurance. The **insurers** may charge the correct premium, cancel **your policy** or make it void from the start date (inception) if **you** misrepresent or deliberately fail to reveal facts that would affect either the terms and conditions of the **policy** or the decision to provide insurance. In this case, the insurer may aim to recover any costs they have had to pay and may not return any premium **you** have paid.

Motor Insurance Database

Information relating to **your** insurance **policy** will be added to the Motor Insurance Database (MID) managed by the Motor Insurers' Bureau (MIB). MID and the data stored on it may be used by certain government and other organisations including the police, the DVLA, the DVLNI, the Insurance Fraud Bureau and other organisations allowed by law for purposes including:

- electronic licensing
- II. continuous insurance enforcement
- III. law enforcement (prevention, detection and catching or prosecuting offenders)
- IV. providing government services or other services aimed at reducing the level and incidence of uninsured driving.

If **you** are involved in a road-traffic accident (either in the UK, the European Economic Area or certain other territories), the **insurer**, the MIB or someone making a claim (including their appointed representatives) may search the MID to get relevant information.

It is vital that the MID holds **your** correct registration number. If it is incorrectly shown on the MID, **you** are at risk of having **your** vehicle seized by the police. **You** may check your correct registration number details are shown on the MID at www.askmid.com. Insurers have up to seven days to give the MID your details. Please contact **us** immediately if **you** find your registration number does not appear correctly.

- if you sell or get rid of your car;
- what you use your car for;
- where your car is kept;
- if you are taking your car abroad;

 of it being stolen or someone breaking into it to steal what is inside;
- if you or anyone covered by this policy change jobs, move or change your name;
- if you or anyone covered by this policy no longer live in the UK.
- if **you** or anyone covered by this policy has been disqualified from driving or has had their licence revoked or the status of the driving licence has changed, for example, if **you** or any driver has passed their driving test; or

- If your car is damaged, the insurer will repair the damage.
- Replace your car if it is a total loss

The **insurer** may use parts which are not made by the manufacturer of your vehicle, but are of equivalent type and quality to the parts replaced. This may include recycled parts or parts made from recycled materials. If any parts that need replacing are no longer available in the UK, the most the **insurer** will pay is the cost shown in the manufacturer's latest price guide plus an amount for fitting. The **insurer** will not pay extra costs as a result of parts or replacements not being available in the UK.

£% Section 5 – No-claims discount

If you make a claim or one arises under this **policy**, **we will reduce your** no-claims discount at renewal in line with **our** scale shown here.

The effect of claims on your no-claims discount (NCD)

	NCD at next renewal without protection		NCD at next renewal with protection
Number of years' NCD when you renew	One claim where you are at fault in the next 12	Two or more fault claims in the next 12 months	One or more fault claims in the next 12 months
1 year	0	0	1 year
2 years	0	0	2 years
3 years	1 year	0	3 years
4 years	2 years	0	4 years
5 to 7 years	3 years	0	5 to 7 years
8 or more years	4 years	0	8 or more years (see below)

This is equal to the amount of NCD you have at the beginning of your policy.

- If you make two or more claims in any period of insurance, we will reduce your no-claims discount to zero years.
- The following will not reduce your no-claims discount.
 - I. Any payment made under section 3 Windscreen cover.
 - II. Any payment for emergency treatment fees under section 4d Emergency medical treatment.
 - III. Claims where **you** are not at fault, as long as the **insurer** has recovered all the money they have paid from those who are responsible.
 - IV. Any payment made under section 8 Key Assist

Protected no-claims discount

If **you** have bought our protected no-claims discount:

- the **insurer** will not reduce **your** no-claims discount if you make a claim or claims under the **policy**;
- the insurer will not cancel your policy as a result of the number of claims made under the policy; and
- your no-claims discount protection may end if we are told about a change in your circumstances that makes you ineligible or if the policy ends or is cancelled under General condition 10.7a or 10.7b.

Your no-claims discount protection does not protect **your** premium from increasing when you renew your policy. However, the **insurer's** calculation of your premium will include the no-claims discount **you** are entitled to.

18

Important

- If you make a claim during any period of insurance, you will not earn any no-claims discount entitlement for that insurance period.
- If you make a claim and we have already worked out your renewal premium, we can change or remove your no-claims discount entitlement and change your renewal premium.

Uninsured driver promise

If you have an accident with an uninsured driver and it was not your fault, we will not reduce your no-claims discount. However, you may temporarily lose your no-claims discount until we are satisfied that the accident was not your fault and the other driver was uninsured. We will then reinstate your no-claims discount depending on the following conditions.

- You give us the vehicle make and model and registration number of the other car that caused the damage.
- The name and address of the other driver.

- tell us at once if you receive any notice of prosecution, inquest or fatal enquiry; and
- send us any writ, summons or letters received in connection with any claim, accident or loss as soon as
 you receive them.

If you fail to report any accident or loss within 48 hours of discovering it, whether you were at fault and whether or not **you** plan to claim, the **insurer** may refuse to provide cover.

You must not:

- admit that the accident was your fault; or
- attempt to settle the claim unless the insurer has given you permission in writing.

You should take as many precautions as you can to protect your car.

If an accident happens and the condition of the vehicle caused or contributed to the accident, cover will be restricted to the **insurer's** liability under the Road Traffic Act. The **insurer** can recover these costs from you, the driver or any other person who may have been responsible for the condition of the vehicle.

11.5 Car registration

Your car must be registered in the UK with the DVLA or DVLNI.

11.6 Car sharing

The **insurer** may not cover **you** for any loss while **your car** is being used to carry passengers for hire or reward. However, **you** may accept money for fuel if **you** carry passengers for social or similar purposes as part of a car-sharing arrangement as long as:

- any fees as shown in the Important customer information section;
- any other credit card or credit finance charges;
- any amount you may owe us under any other insurance contract you may have with us.

- You have made a claim in the policy year or a claim has been made against your policy.
- You have been involved in an incident which might give rise to a claim under the policy.

- The instalment payments are not up to date. You may be charged a proportionate amount to bring your payments up to date, together with our administration fee.
- Fraud, deception or not telling us information as referred to in 10.2 above and 10.11 below.

Please note

- If **you** have bought any extra cover to run with your **policy**, **you** should see the **policy** wording for any refund due when you cancel.
- Any refund or payment due to you will be credited to the last card used or we may pay it towards another card if you ask and we agree.
- Cancelling any Direct Debit Instruction with your bank does not cancel your policy, unless it is your first payment due for your renewal. You must tell us you want to cancel.
- The **Certificate of Motor Insurance** will be our property and you must give it back to us within seven days of the cancellation date.

Under the Road Traffic Act, it is an offence:

- to drive or allow others to drive your vehicle or to own a vehicle (unless a SORN has been provided to the DVLA) if you do not have valid insurance; and
- not to give back the Certificate of Motor Insurance within seven days of the cancellation date.

11.7a If you cancel your policy

You have the right to cancel **your policy** at any time, just call the number below.

11.7b If we cancel your policy

There are some circumstances where the **insurer** may authorise **us** to cancel **your** insurance on their behalf. These include:

- if you fail to keep payments on any instalment plan up to date;
- if you make a change to your policy which would mean that the insurer is no longer able to insure you;
- you fail to respond to reasonable requests for information by your insurer or an agent acting on behalf
 of the insurer;
- you commit fraud, deception or do not tell us information as referred to in 10.2 above and 10.11 below;
 or
- If you threatened or been abusive toward us.

In these circumstances **we** will send **you** seven days' written notice. This applies in all circumstances, no matter how **you** have paid, unless we make your policy void from the start date for fraud or misrepresentation. In that case, **we** will tell you. For more details see paragraph 10.11. All notices will be sent to either the email or postal address last known to us.

11.8 Total loss

If your car is considered a **total loss**, it will become the **insurer**'s property. The **insurer** may give **you** the option to insure another vehicle under **your** existing **policy**. There may be an extra premium to pay and there will be an administration fee as shown in the important customer information section. If the **insurer** cannot agree with **you** terms for another vehicle, or **you** do not want to insure another vehicle, all cover under the **policy** will end as soon as the car is declared a **total loss**. We will take any **unpaid premium** owing to the **insurer** from the settlement amount paid to **you**.

If **your car** is under a hire-purchase or leasing agreement, the **insurer** will pay the agreed settlement sum direct to the hire-purchase or leasing company to clear all or part of the amount owing. The balance, if any, will be paid to **you**.

11.9 If you do not pay the premium

If **you** have not paid **your** entire premium, the **insurer** may take off any **unpaid premiums** from any claim settlement they pay **you**. If **you** are paying by instalments and do not keep up to date with **your** payments, they may not pay **your** claim and may cancel your **policy**.

If there is a change to the policy, you miss an instalment, owe anything after cancelling the policy, or you have to pay any fees or charges, **you** will allow us (or have the authority of the cardholder to give us) continuous authority to charge the card originally used, or the last card for which **we** hold a record to process any related payments. If **you** are paying by instalments, **you** grant us the right to change your remaining payment plan to reflect any changes. If **you** have no remaining premium, **you** grant **us** the right to charge the card originally used, or the last card for which **we** hold a record, to process any fees or charges applied.

You are responsible for keeping up the payments, and if you fail to do so, your policy may be at risk. If **we** need to appoint a debt-recovery agent to collect any outstanding premiums, fees or charges, **you** will be legally responsible for paying all collection fees and commission.

11.10 Suspending your policy

You cannot suspend this insurance.

11.11 Fraud

We may make your policy void if **you** or anyone acting for **you** deliberately misrepresents, or fails to reveal, facts asked on behalf of the **insurer** at the start date, at the time of any amendment, or when you renew the **policy** that would affect either the **terms** and conditions or the decision to allow you to take out or renew the policy. **We** may also make any other policies **you** have with us void. **We** will aim to recover any costs **we** have paid, including claims costs, and will not return any premium you have already paid.

If you or anyone acting for you misrepresents or carelessly fails to reveal facts asked on behalf of the insurer at the start of the insurance, at the time of any amendment, or when you renew the policy that would affect either the terms and conditions or the decision to allow you to take out or renew the policy, this may result in an extra premium being charged or your policy being cancelled. We may also aim to recover any costs from you we have had to pay, including claims costs.

The **insurer** will not pay a claim that is any way fraudulent, false, or exaggerated or if **you** or anyone acting for **you** makes a claim in a fraudulent or false way. In these cases we may cancel **your policy** and declare it void and any other policies that **you** may have with us. **We** will aim to recover any costs **we** have paid, including claims costs, and will not return any premium you have already paid.

11.12 Insurers Right of Recovery

If we need to pay a claim under the law of any country in which this policy operates (including settling such a claim on a reasonable basis if we believe we will have legal responsibility for it), which we would not otherwise be legally responsible to pay had the law not existed, we can recover those payments (including the legal costs of reasonably defending the claim) we make from you. This will apply if you or any other insured person or any person using the vehicle with your consent:

- caused the loss directly or indirectly;
- caused or allowed the vehicle to be driven by an uninsured driver; or
- through an act or failure to act, caused this insurance to be invalid.

11.13 Other insurance

If **you** have other insurance policies which cover the same risks, the **insurer** will not pay more than their share of any claim. This does not mean the **insurer** has to accept any legal responsibility, under section 4 of this policy, that they would otherwise have been entitled to exclude under the Exceptions in section 4.

11.14 Drink and drugs

If, following an accident, **you** or anyone named in the **Certificate of Motor Insurance** is convicted of driving while under the influence of alcohol or drugs, or has a blood or urine alcohol content over the legal limit, or refuses to supply a breath, blood or urine sample when asked to do so, the **insurer** will pay no more than they have to under the Road Traffic Act and can then make you repay them that amount.

11.15 Residency

To qualify for cover under this **policy you** and any drivers named on the **Certificate of Motor Insurance** must have permanently lived in the UK for at least three years.

These will apply if they are shown on your Schedule

Endorsement 1 – Additional own damage, fire and theft excess

You are responsible for the first amount of each claim under section 1 Accidental damage and section 2 Fire and theft in relation to loss of or damage to your car. This amount is increased from the standard excess listed on your Schedule by one of the amounts below. The additional excess is shown by having Endorsement 1 printed on the Schedule. This excess will apply as well as any standard excess (or excesses) which applies to the policy section under which the claim is being made.

- A £50 additional accidental damage fire and theft excess
- C £100 additional accidental damage fire and theft excess
- £ £150 additional accidental damage fire and theft excess
- £200 additional accidental damage fire and theft excess
 £400 additional accidental damage fire and theft excess

Endorsement 2 – Keeping in a garage

If you do not keep your car in a locked private garage between 10pm and 6am when your car is parked at or near your home, you will be responsible for an extra £250 of each claim under Section 2 Fire and theft in relation to loss or damage to your car arising from theft or attempted theft. This amount applies as well as any other excess (or excesses) shown on the Schedule.

Endorsement 3 - Security

The **insurer** will only be legally responsible for claims arising under section 2 **Fire** and **theft** when a Thatcham category-1 or -2 immobilising device or tracker device has been fitted to **your car** in line with the manufacturer's instructions and is operating at all times **your car** is left unattended.

We will need proof the device is fitted to **your car** before **your insurer** will consider any claim under section 2 **Fire** and **theft**.

Credit-reference agencies and fraud

Credit-reference agencies

When **we** provided **you** with a quote and assessed the payment options most appropriate for **you**, **we** searched the electoral roll and other information using a credit-reference agency. A record of the check will be held by the credit-reference agency who may place a footprint of 'insurance search' on **your** credit file. This footprint will not alter **your** credit score. **We** may continue to gather information through credit-reference agencies to check **your** credit status and suitability for other products **we** may offer, including changes to **your** existing **policy** and renewal.

Information held about you by these agencies may be linked to records relating to other people living at the same address with whom you are financially linked. We may also take these records into account in credit checks.

If you are paying by Direct Debit, we may give details of your accounts and how you manage them to credit-reference agencies, including records of outstanding debt. This information may be supplied to other organisations to carry out similar checks and to trace your whereabouts and recover debts that you owe. Records will stay on file for six years after they are closed, whether you paid off the debt or not.

Preventing fraud

If you have provided false or inaccurate information and fraud is identified or suspected, we may pass details to fraud-prevention agencies. Law-enforcement agencies may access and use this information.

We and other organisations may also access and use information to prevent fraud and money laundering, for example when:

- checking applications for, and managing, credit and other facilities;
- recovering debt;
- checking insurance proposals and claims; and
- checking details of job applicants and employees.

We, and other organisations that may access and use information recorded by fraud-prevention agencies may do so from other countries.

If you would like a copy of the information held about you by the credit-reference or fraud-prevention agencies we use, please contact the Data Protection Officer at First Central Insurance Management Ltd (address below) for their names and addresses. While we do not charge a fee to provide the names and addresses of these agencies, they may charge a fee to provide the information they hold about you.

When we deal with your request for insurance, if there is an incident or claim, or when you renew, we may search these databases to help us check information provided and also to prevent fraudulent claims. Under the conditions of your policy, you must tell us about any incident (such as accident or theft) which may or may not give rise to a claim. When you tell us about an incident, we will pass information relating to it to the registers. It is a condition of **your** policy that you agree to the information on your application form and any incidents that you tell **us** about being passed to MIB. It is also a condition of **your** policy that you agree that the MIB may pass **us** information they have received from other insurers about other incidents **you** or **your partner** have been involved in.
