Welcome,

Thank you for choosing car insurance through **1ST CENTRAL**. We are delighted to welcome you as a valued customer.

Your insurance policy is arranged by **1ST CENTRAL**, which is the brand name of First Central Insurance Management Ltd. The motor insurer is named on your Certificate of Insurance.

1ST CENTRAL acts for you, as an intermediary, when it arranges this motor insurance. We set out our role in detail in the accompanying document “**About Our Insurance Service (AOIS)**”.

In this document you will find at the outset a ‘**Private Car Policy Summary**’ which outlines the terms of your insurance cover. You will then find two sets of contracts, both of which are legally binding.

The first and main set of contracts is the motor insurance policy and the insurance of Key Assist. (‘the **Insurance Contract**’). The **Insurance Contract** contains the terms and conditions of your insurance cover. The motor insurer is named on your Certificate of Insurance and the names of the insurer which provides the Key Assist benefits appear in Section 8. Your premiums on the **Insurance Contract** are due to the Insurer and are payable to the insurers via **1ST CENTRAL**. **1ST CENTRAL** holds any money it receives for the insurers on their behalf.

The second contract is the ‘**Intermediary Contract**’ with **1ST CENTRAL**. **1ST CENTRAL** sets up your motor insurance and provides you administrative services in relation to your **Insurance Contract** on the terms of this contract. The administrative fees which you pay on the **Intermediary Contract** such as set up or cancellation fees are due and payable to **1ST CENTRAL** alone.

1ST CENTRAL will not pay interest to you in any circumstances. However, this does not affect the rights you normally have by law.

Both the **Insurance Contract** and the **Intermediary Contract** are yearly contracts, which may automatically renew at the end of each year.

Please read this document in full together with your Schedule, Certificate of Motor Insurance, Statement of Fact and endorsements, as together these documents form the contracts to which you have agreed.

To make a claim, call **0333 043 2011**.

Kind regards,

Your Insurance Contract

This section makes up part of **your Insurance Contract** and includes the terms of **your** motor insurance. Please read it together with **your Schedule, Certificate of Motor Insurance, Statement of Fact and endorsements**, as together these documents form the **Insurance Contract** between **you** and the **insurer**. The Key Assist benefit is provided by Motorplus Limited t/a Coplus and is underwritten by Bastion Insurance Company Limited.

This contract is based on the information **you** provided when **you** applied for this insurance, which is shown on the Statement of Fact that have been declared to be correct. **Please take time to check the information shown. If any of this information is incorrect, please call the Customer Services team immediately on 0333 043 2066. You can also call this number if you have any questions about your policy.**

In this **document you** will find a summary of **your** insurance cover at page 6, information about changes which may affect **your** policy and how **you** must tell the **insurer** straight away about any changes **you** make at page 12, as well as how to tell the **insurer** about any claim at page 10. Full information about the cover under **your** insurance policy cover can be found from page 14 onwards.

If **your policy** does not meet **your** needs, please return all documents, including the **Certificate of Motor Insurance**, within 14 days. As long as **you** have not made a claim and **you** have not been involved in an incident that might give rise to a claim under the policy, **your insurer** will refund the premium paid less a charge for the number of days covered by the **policy**. Please see the **Intermediary Contract** for information about the set-up fee charge and any applicable cancellation fees.

The legally-binding policy wording is part of the **Insurance Contract** between **you** (the policyholder) and the insurer (as shown on **your** current **Certificate of Motor Insurance**). The parties to the Insurance Contract are **you** and the **insurer**. **Your insurer** has agreed to provide cover for **you** (under the terms, conditions, limits and exclusions in this document and within the geographical limits (defined in section 6)) against **your** liability (legal responsibility) for loss, destruction, accidental injury, or damage that may happen during any period of insurance in connection with **your** car.

Nothing in this contract will create any rights to anyone else under the Contracts (Rights of Third Parties) Act 1999 and no change to this contract, nor any extra agreement, will create these rights unless stated in the policy. This does not affect any right or remedy of someone else that they may have aside from this act. If there is more than one **insurer** providing this insurance, they are each acting alone and not jointly. If one of the **insurers** does not for any reason meet all or part of their responsibilities under the policy, the other **insurers** will have no responsibility for those obligations.

So that this document may be signed and issued as evidence of the **Insurance Contract**, the **insurer** has entered into an agreement with **1ST CENTRAL** to allow **1ST CENTRAL** the right to sign this contract.

What to do if you have an accident

 **24-hour claims helpline number: 0333 043 2011 (or +44 (0) 333 043 2011 from overseas)**

If **you**, or **your car**, are involved in any type of accident or loss, **you** or the other named driver (as shown on the **Certificate of Motor Insurance**) must tell the **insurer** within 48 hours of the incident by phoning the number above. **You** must do this whether or not **you** are at fault and even if **you** do not plan to claim. The insurer's team will help **you** to arrange fast and efficient repairs (if **your** cover is appropriate) through the **insurer's** extensive approved repairer network. Using the **insurers'** approved repairer network has several benefits.

- **You** will not need to get estimates.
- **You** will be given a courtesy car, free of charge, while **your car** is repaired. (This depends on what is available, and the **insurer** cannot guarantee that this will be the same size or model as **your car**.)
- The bill will be settled directly with them. **You** only need to pay the **excess** and any other amount that **you** will have been told about.
- **You** can arrange for **your car** to be collected from **your** home or place of work and they will also deliver it back.
- The **insurer's** approved repairer's work is guaranteed for five years.
- **Your car** will be washed and cleaned before being returned to **you**.

If **you** choose not to use the **insurer's** approved repairer network, this may lead to delays in arranging repairs to **your car**. **You** will also have to pay an extra **excess** as well as any other **excesses** under this **policy**. The **insurer** will not guarantee the repairs and will not provide a courtesy car.

The **insurer** may move **your car** to safe and free storage. **You** should remove any personal possessions from the **car** as soon as **you** are able.

Strict timescales have been set for dealing with claims, in particular those involving bodily injury. A delay may affect **your insurer's** ability to provide the best defence on **your** behalf. This kind of delay can result in high costs for **your insurer** which may go against **your** driving record or, in extreme cases, may result in **your** cover being refused.

Please remember

- When reporting a claim, please have **your policy** number ready (it is shown on **your Schedule** and **Certificate of Motor Insurance**).
- Calls, emails, text messages or other communications may be monitored or record in line with UK law (for example, but not limited to, for business purposes such as quality control and training).

As long as they are named on the **policy**, the **insurer** or those acting on **their** behalf will deal with **your husband, wife or partner** who may call on **your** behalf. The **insurer** or those acting on **their** behalf will also speak with the named driver (as shown on the **Certificate of Motor Insurance**). If **you** would like someone else to deal with **your policy** on **your** behalf on a regular basis, please contact **0333 043 2066**. In some exceptional cases other people may be dealt with who call on **your** behalf, with **your** permission. If at any time **you** would prefer that it is only **you** who is dealt with, please contact **0333 043 2066**.

Windscreen claims

 **24-hour windscreen claims helpline number: 0333 043 2012**

Call the windscreen helpline within 48 hours of discovering the damage to organise a repair or to replace **your** windscreen or other windows in **your car**.

Key Assist claims

In the event of a claim, please contact the **insurer** as soon as reasonably possible after the insured event giving **them** as much information as **you** can about what has happened to bring about the claim. Please try to include the names and addresses of anyone else involved and any information provided by the police.

 **24-hour Key Assist claims helpline number: 0333 241 3390**

Customer Information

Demands and needs

1ST CENTRAL insurance meets the demands and needs of those who want to make sure that, if they are involved in a motor accident, claims against them by anyone else for personal injury or damage to property during the period of insurance will be met. Cover may be extended to include fire, theft and accidental damage to the insured vehicle.

Automatic renewal

The **insurer** may automatically renew **your Insurance Contract** at the end of **your** 12-month **period of insurance** by using the personal and payment details **you** originally supplied or have since updated. **You** will be contacted before **your** renewal date and be provided with information about the **Insurance Contract** so that **you** can make an informed decision about **your policy** and decide if **you** want to renew. Whether or not **you** receive a renewal reminder, it is still **your** responsibility to make sure **your** insurance is valid and in force. If **you** pay by instalments and have received a default notice in **your policy** term, **you** may not be able to use the monthly payment option when **you** are due to renew. If **your** first monthly payment cannot be collected when **your policy** has renewed, it will be assumed that **you'd** prefer to not continue **your** insurance and the **insurer** will cancel **your policy** from **your** renewal date.

Supporting documents

The **insurer** may ask to see a copy of **your** driving licence and proof of **your** no-claims discount. If **you** fail to provide these when asked, the **insurer** may cancel **your policy**.

Electronic documents

Your policy documents and **Certificate of Motor Insurance** are available online, and only in limited circumstances will **you** be written to by post. Because of this, **you** must provide a valid email address.

Providing all the facts

When asked, if **you** do not reveal all relevant facts **your** insurance may not be valid and will not protect **you** if **you** need to make a claim. In particular, **you** should tell the **insurer** about any incidents (whether **your** fault or not, and whether **you** claimed or not). It is an offence to make false statements or withhold information to get motor insurance. The **insurers** may charge the correct premium, cancel **your policy** or make it void from the start date (inception) if **you** misrepresent or deliberately fail to reveal facts that would affect either the terms and conditions of the **policy** or the decision to provide insurance. In this case, the **insurer** may aim to recover any costs **they** have had to pay and may not return any premium **you** have paid. **You** may also be charged cancellation fees under the **Intermediary Contract**.

Motor Insurance Database

Information relating to **your** insurance **policy** will be added to the Motor Insurance Database (MID) managed by the Motor Insurers' Bureau (MIB). MID and the data stored on it may be used by certain government and other organisations including the police, the DVLA, the DVLNI, the Insurance Fraud Bureau and other organisations allowed by law for purposes including:

- I. electronic licensing

- II. continuous insurance enforcement
- III. law enforcement (prevention, detection and catching or prosecuting offenders)
- IV. providing government services or other services aimed at reducing the level and incidence of uninsured driving.

If **you** are involved in a road-traffic accident (either in the UK, the European Economic Area or certain other territories), the **insurer**, the MIB or someone making a claim (including their appointed representatives) may search the MID to get relevant information.

It is vital that the MID holds **your** correct registration number. If it is incorrectly shown on the MID, **you** are at risk of having **your** vehicle seized by the police. **You** may check **your** correct registration number details are shown on the MID at www.askmid.com. **Insurers** have up to seven days to give the MID **your** details. Please contact **us** immediately if **you** find **your** registration number does not appear correctly.

Changes which may affect your cover

As some changes will affect **your** cover, **you** should tell the **insurer** immediately about any change to the details **you** have previously declared on **your Statement of Fact**, for example:

- a change of **car**;
- if **you** sell or get rid of **your car**;
- what **you** use **your car** for;
- where **your car** is kept;
- if **you** are taking **your car** abroad;
- a modification to **your car** which improves its performance, handling or value or increases the chances of it being stolen or someone breaking into it to steal what is inside;
- if **you** or anyone covered by this **policy** change jobs, move or change **your** name;
- if **you** or anyone covered by this **policy** no longer live in the UK.
- if **you** or anyone covered by this **policy** has been disqualified from driving or has had their licence revoked or the status of the driving licence has changed, for example, if **you** or any driver has passed their driving test; or
- if **you** or anyone covered by this **policy** has an accident or claims under another motor insurance policy.

If the **insurer** accepts a change to **your policy**, **you** may have to pay an administration fee under the **Intermediary Contract** and an extra premium to the **insurer**. Or, **you** may be due a refund of **your** premium from the **insurer**. **You** can find details of fees in **Intermediary Contract** at page 40-41. To make any changes to the **policy** all payments must be up-to-date and **you** must not owe **us** or the **insurers** any money under any contract.

Section 1 – Accidental damage

✓ What is covered

If shown on **your Schedule**, the **insurer** will cover **you** under this section for accidental damage or **malicious damage** to **your car**, its accessories and spare parts while in or on **your car**.

The **insurer** will also cover **your** navigational equipment, radio and any other audio and visual equipment which is permanently fitted to **your car**, up to £1,000 or 15% of the value of **your car**, whichever is less.

The **insurer** will cover loss or damage to the car while it is with a member of the motor trade for servicing or repair.

Section 2 – Fire and theft

✓ What is covered

The **insurer** will cover **you** under this section for loss or damage to **your car**, its accessories and spare parts while in or on **your car** caused by **fire**, lightning or explosion, **theft** or attempted **theft**.

The **insurer** will also cover loss or damage caused by **fire**, lightning or explosion, **theft** or attempted **theft** to **your** navigational equipment, radio and any other audio and visual equipment which is permanently fitted to **your car**, up to £1,000 or 15% of the value of **your car**, whichever is less.

The **insurer** will cover loss or damage to the car caused by **fire**, lightning or explosion, **theft** or attempted **theft** while it is with a member of the motor trade for servicing or repair.

Settling your claim – sections 1 and 2

The **insurer** will do one of the following.

- If **your car** is damaged, the **insurer** will repair the damage
- Replace **your car** if it is a **total loss**
- Settle **your** claim by paying **you** money if **your car** is a **total loss**

The **insurer** will not pay more than the **market value** of **your car** at the time of the loss or damage, less the total **excesses** and any **unpaid premium**. If **your car** is considered to be a **total loss** and is under a hire-purchase or leasing agreement, the **insurer** will pay the claim money direct to the hire-purchase or leasing company. The balance, if any, will be paid to **you**.

The **insurer** may use parts which are not made by the manufacturer of **your car**, but are of equivalent type and quality to the parts replaced. This may include recycled parts or parts made from recycled materials. If any parts that need replacing are no longer available in the UK, the most the **insurer** will pay is the cost shown in the manufacturer's latest price guide plus an amount for fitting. The **insurer** will not pay extra costs as a result of parts or replacements not being available in the UK.

New car replacement

If **your car** is less than one year old, the **insurer** will replace it with a new car of the same make and model if:

- **you** or **your partner** have been the first and only owner and registered keeper; and
- it is not leased or on contract hire; and

- it has suffered damage covered by this section; and
- the cost of repairing it will be more than 59% of the last UK list price (including taxes).

The **insurer** will only do this if a replacement car is available in the UK and anyone else who has an interest in **your car** agrees. If a suitable replacement car is not available, the **insurer** will settle the claim using one of the methods shown above.

X What is not covered under Sections 1 and 2

- The **excesses** shown on the **Schedule** for each section. All **excesses** (including voluntary **excesses**) are cumulative.
- The extra **excess** shown on **your** Schedule for claims if **you** do not use the **insurer's** approved repairer. All **excesses** are added together.
- Loss through deception or fraud.
- Loss of or damage to the car if it is not covered by a valid Department of Transport test certificate (MOT), if one is needed by law.
- Any damage to **your car** caused by it being driven after an accident.
- Any damage to the car caused deliberately by **you** or any person driving it with **your** permission.
- Any damage to **your car** as a result of racing formally or informally against another motorist, 'road rage' or any other deliberate act caused by **you** or any driver insured to drive **your car**.
- Loss of use of the **car** including hire costs or any other loss **you** suffer as a direct or indirect result of being unable to use the **car**, for example loss of earnings.
- Wear and tear, loss in value, electronic, electrical, mechanical or computer breakdowns, breakages or failures.
- Damage to tyres caused by punctures, bursts, cuts, braking or normal use.
- Any reduction in value following repairs.
- Loss of or damage to the car caused by a member of **your** immediate family, or a person living in **your** home taking **your** car without permission unless **you** report the person to the Police for taking **your** car without **your** permission and assist the Police in prosecution. This includes, **your** partner, **your** boyfriend, girlfriend, **your** children (including step and foster children), and domestic staff in **your** employment or anyone who normally lives with **you**.
- Any government, public or local authority legally taking or destroying your car.
- Loss or damage caused by **theft** or attempted **theft** if the keys, keyless device or any other vehicle locking devices are left in or on **your car** while unattended or left unattended with the engine running.
- Loss or damage caused by **theft** or attempted **theft** if the car is unattended without being properly secured, including windows, roof openings, removable roof panels or hood.
- Loss or damage in section 2 if any security device fitted and declared in the **Statement of Fact** is not set and in full working order or the network subscription or maintenance contract is not current.
- Replacing any audio or visual equipment if **your insurer** has paid **you** a cash amount to replace **your car**.
- Claims arising as a result of **your** failure to take reasonable steps to protect **your keys**.
- Any payment over £1,000 or 15% of the value of **your car** (whichever is less) for loss or damage to **your** car phone, navigational equipment, radio and any other audio or visual equipment permanently fitted to **your car**.

- Loss or damage to navigational equipment, radio, and any other audio or visual equipment not permanently fitted to **your car**.
- Any modifications unless they are standard fittings or manufacturer's optional extras.
- If, following an accident, **you** or anyone named in the **Certificate of Motor Insurance** is convicted of driving while under the influence of alcohol or drugs, the **insurer** will not pay more than the cover needed under the Road Traffic Act and **they** can ask **you** to repay **them** this amount.

Section 3 – Windscreen cover

0333 043 2012

✓ What is covered

If shown on **your Schedule**, the **insurer** will repair the damage to restore the broken or damaged glass in **your car's** windscreen and windows and any scratching to the paintwork caused by the broken glass, as long as there has been no other loss or damage.

To make a claim, contact the **insurer's** windscreen helpline on **0333 043 2012**.

- The **excess** shown in **your Schedule**
- Electrical or mechanical items associated with the window mechanisms.
- Repairing or replacing any windscreens or windows which are not made of glass.
- Damage to any hood if **your car** is a cabriolet or convertible.
- Any amount over £150, unless **you** use the approved glass supplier.

Section 4 – Liability to others

a) Your liability to others

✓ What is covered

4.1 The **insurer** will cover **you** if there is an accident involving **your car**, for all amounts **you** legally have to pay if someone else is injured or killed or their property is damaged.

Cover also applies to any accident involving injury or damage caused by a trailer, vehicle or caravan towed by **your car**.

4.2 If it is shown on **your Certificate of Motor Insurance**, and while **you** are driving any other car, the **insurer** will cover **you** for any accident involving that car, for all amounts **you** are legally responsible for if someone else is injured or killed or their property is damaged. **You** must meet the following conditions for this cover to apply.

- **You** have permission from the owner of the car before using it.
- **You** still have **your car**, and it is not a **total loss** nor stolen.
- The other car is not owned by **you** and is covered by another insurance policy (and is not a rental car or hired to **you** under a hire-purchase or leasing agreement).
- **You** are not named as a driver of the other car on any **Certificate of Motor Insurance**
- **You** are not using this cover to remove the car if it has been seized by, or on behalf of, any government or public authority.
- No greater level of cover is in force to cover **you** to drive the car under any other policy.

Cover also applies to any accident involving injury or damage caused by a trailer, vehicle or caravan towed by this **car**.

b) Liability cover for other people

✓ What is covered

The **insurer** will also provide cover under 4.1 above for:

- drivers named in the **Certificate of Motor Insurance** as insured to drive if **your car** has been involved in an accident as long as they have **your** permission, hold a valid driving licence, are driving in line with the terms and conditions of that licence and are not disqualified from driving;
- anyone getting into or out of **your car**;
- anyone **you** allow to use (but not drive) **your car** for social, domestic or pleasure purposes;
- the legal personal representative of anyone covered under this section if that person dies; or
- **your** or **your partner's** employer or business partner while **your car** is being used for business purposes, as long as **your Certificate of Motor Insurance** allows this use.

c) Legal costs

✓ What is covered

If the **insurer** agrees in writing beforehand, cover is provided for the following legal costs if they arise as a result of an incident covered by this **policy**.

- The reasonable legal fees of solicitors the **insurer** has approved to represent anyone insured under this **policy** at a coroner's inquest or fatal accident enquiry.

- The reasonable fees for legal services, which the **insurer** will arrange, for defending a charge of manslaughter or causing death by dangerous, careless or reckless driving if the prospect of success is more than 50 percent.

d) Emergency medical treatment

✓ **What is covered**

The **insurer** will pay for emergency treatment fees in line with the Road Traffic Act resulting from an accident covered by this **policy**.

If anyone insured by this section dies, the **insurer** will extend the cover they were entitled to so that it covers their personal representative.

✗ **What is not covered**

- Amounts over £20,000,000 for any claim or series of claims for loss of or damage to property including any indirect loss or damage caused by one event, plus any amount over £5,000,000 for all costs and expenses.
- Loss of or damage to any trailer, caravan, vehicle (or goods or items in them) towed by **your car**.
- Anyone who has other insurance covering the same liability.
- Death or injury to anyone while they are working with or for the driver of the car except as set out in the Road Traffic Act.
- Damage to any property owned by any driver insured by this **policy**, or for which they are responsible, if caused by any driver named in the **Certificate of Motor Insurance**
- Legal costs or expenses relating to charges connected with speeding, driving under the influence of alcohol or drugs, or for parking offences.
- If, following an accident, **you** or anyone named in the **Certificate of Motor Insurance** are convicted of driving while under the influence of alcohol or drugs, the **insurer** can recover any amount from **you** that they have to pay.
- Anyone who is not driving, but who makes a claim, if they knew the driver did not hold a valid driving licence.

Section 5 – No claims discount

If **you** make a claim or one arises under this **policy**, **your** no claims discount **will be reduced** at renewal in line with the scale shown here.

The effect of claims on your no-claims discount (NCD)

Number of years' NCD when you renew	NCD at next renewal without protection		NCD at next renewal with protection
	One claim where you are at fault in the next 12 months	Two or more fault claims in the next 12 months	One or more fault claims in the next 12 months
1 year	0	0	1 year
2 years	0	0	2 years
3 years	1 year	0	3 years
4 years	2 years	0	4 years
5 to 7 years	3 years	0	5 to 7 years
8 or more years	4 years	0	8 or more years (see below)

This is equal to the amount of NCD you have at the beginning of your policy.

- If **you** make two or more claims in any **period of insurance**, the **insurer** will reduce **your** no claims discount to zero years.
- The following will not reduce **your** no-claims discount.
 - I. Any payment made under section 3 – Windscreen cover.
 - II. Any payment for emergency treatment fees under section 4d – Emergency medical treatment.
 - III. Claims where **you** are not at fault, as long as the **insurer** has recovered all the money **they** have paid from those who are responsible.
 - IV. Any payment made under section 8 – Key Assist

Protected no claims discount

If **you** have bought protected no claims discount:

- the **insurer** will not reduce **your** no-claims discount if **you** make a claim or claims under the **policy**;
- the **insurer** will not cancel **your policy** as a result of the number of claims made under the **policy**; and
- **your** no claims discount protection may end if the **insurer** is made aware of a change in **your** circumstances that makes **you** ineligible or if the **policy** ends or is cancelled under General condition 10.7a or 10.7b.

Your no-claims discount protection does not protect **your** premium from increasing when **you** renew **your policy**. However, the **insurer's** calculation of **your** premium will include the no-claims discount **you** are entitled to.

Important

- If **you** make a claim during any **period of insurance**, **you** will not earn any no-claims discount entitlement for that insurance period.
- If **you** make a claim and the **insurer** has already worked out **your** renewal premium, the **insurer** can change or remove **your** no-claims discount entitlement and change **your** renewal premium.

Uninsured driver promise

If **you** have an accident with an uninsured driver and it was not **your** fault, **your** no-claims discount will not be reduced and **you** will not be charged a **policy excess**. However, **you** may temporarily lose **your** no-claims discount and pay the **policy excess** until the **insurer** is satisfied that the accident was not **your** fault and the other driver was uninsured. The **insurer** will then reinstate **your** no-claims discount and reimburse any **policy excess** paid depending on the following conditions.

- **You** give the **insurer** the vehicle make and model and registration number of the other car that caused the damage.
- The name and address of the other driver.

- **You** must tell the **insurer** beforehand about visits to any country not listed above. If **your insurer** accepts, **you** will be sent **you** a green card and may be charged an extra premium.

If **you** do not keep to these conditions, the **insurer** may refuse **your** claim or the insurance may not be valid.

Customs duty

If **you** pay customs duty on **your car** in any of the countries listed above because of repairs covered under the **policy**, the **insurer** will meet these costs.

The decision of the arbitration shall be final and binding on both parties and he or she will decide who should pay the costs of the arbitration. If costs are awarded against **you**, they are not covered under this **policy**.

This arbitration condition does not affect **your** rights to take separate legal action. If a disputed claim is not referred to arbitration within 12 months of **your** claim being turned down, **we** will treat the claim as abandoned.

3. Fraudulent Claims

You must not act in a fraudulent way. If **you** or anyone acting for **you**:

- **you** and anyone else claiming cover under this **policy** has kept to all the **terms** and conditions of the **policy**; and
- the information **you** gave on **your Statement of Fact** or claims report is true and complete.

If the **insurer** discovers that **you** or someone acting for **you** had knowingly provided false information, the **insurer** will make the **policy** void and treat it as though it had never existed and not refund any premium or pay **your** claim. If **you** were not aware that the information **you** had provided was false, depending on the nature of the information, **your insurer** may cancel **your policy** or **you** may be asked to pay an extra premium. **You** may also be charge a cancellation or amendment fee under the **Intermediary Contract**.

You must co-operate with **your insurer**, respond to reasonable requests for information or documents, and where necessary be available to speak to **your insurer** or anyone acting on behalf of the **insurer**. This includes if **you** are using someone else to represent **your** interests, whether or not a claim has been made on the **policy**.

If **you** do not keep to reasonable requests for information, the **insurer** will cancel **your policy** and **your** claim will not be paid.

10.2 Providing all information

Your premium is based on the information **you** supplied when **you** started, amended or renewed **your** insurance. If **you** have failed to give complete and accurate information, this could lead to **your** claim being denied, **you** having to pay any costs or the insurance not being valid.

10.3 Reporting loss or damage

If **you** or **your car** is involved in any type of accident or loss, **you** must tell the **insurer** within 48 hours of discovering the loss by phoning the 24-hour helpline on **0333 043 2011**. **You** must do this whether or not **you** are at fault and even if **you** do not plan to claim. If **you** fail to report any accident or loss within 48 hours of discovering it, whether **you** were at fault and whether or not **you** plan to claim, the **insurer** may refuse to provide cover.

You must not:

- admit that the accident was **your** fault; or

You should take as many precautions as **you** can to protect **your car**.

If an accident happens and the condition of the vehicle caused or contributed to the accident, cover will be restricted to the **insurer's** liability under the Road Traffic Act. The **insurer** can recover these costs from **you**, the driver or any other person who may have been responsible for the condition of the vehicle.

10.5 Car registration

Your car must be registered in the UK with the DVLA or DVLNI.

10.6 Car sharing

The **insurer** may not cover **you** for any loss while **your car** is being used to carry passengers for hire or reward. However, **you** may accept money for fuel if **you** carry passengers for social or similar purposes as part of a car-sharing arrangement as long as:

- **your car** is not made or adapted to carry more than eight passengers;
- **you** are not carrying the passengers as customers of a passenger-carrying business; and
- **you** do not make a profit from carrying the passengers.

10.7 Cancelling your policy

If you cancel your **Insurance Contract**, any additional operative section of the policy as detailed within **your schedule** of insurance will also be cancelled automatically at the same time. If **your policy** is cancelled, the insurer will return any premium, including the deposit, paid for this **policy** less:

- a charge for the number of days the **insurer** has provided cover for;
- any fees applicable under the **Intermediary Contract**;
- any credit finance charges;
- any amount **you** may owe **1ST CENTRAL** or the **insurer** under any other contract.

If any of the following apply, **you** may not receive any refund and **you** may still have to pay the balance of the full yearly premium. This applies in all circumstances no matter what payment method **you** use.

- **You** have made a claim in the **policy** year or a claim has been made against **your policy**.

- **You** have been involved in an incident which might give rise to a claim under the **policy**.
- The instalment payments are not up to date. **You** may be charged a proportionate amount to bring **your** payments up to date, together with any relevant fee.
- Fraud, deception or not providing information as referred to in 10.2 above and 10.11 below.

Please note

- If **you** have bought any extra cover to run with **your policy**, **you** should see the **policy** wording for any refund due when **you** cancel.
- Any refund or payment due to **you** will be credited to the last card used or may be paid towards another card if **you** ask and the **insurer** agree.
- Cancelling any Direct Debit Instruction with **your** bank does not cancel **your policy**, unless it is **your** first payment due for **your** renewal. **You** must tell **us you want to cancel**.
- The **Certificate of Motor Insurance** will be the **insurers** property and **you** must give it back to **them** within seven days of the cancellation date.

Under the Road Traffic Act, it is an offence:

- to drive or allow others to drive **your** vehicle or to own a vehicle (unless a **SORN** has been provided to the DVLA) if **you** do not have valid insurance; and
- not to give back the **Certificate of Motor Insurance** within seven days of the cancellation date.

10.7a If you cancel your policy

You have the right to cancel **your policy** at any time, just call the number below.

0333 043 2066

10.7b If the insurer cancels your policy

There are some circumstances where the **insurer** may authorise **us** to cancel **your** insurance on **their** behalf. These include:

- if **you** fail to keep payments on any instalment plan up to date
- if **you** make a change to **your information** which would mean that the **insurer** is no longer able to insure **you**
- if **you** fail to respond to reasonable requests for information by **your insurer** or anyone acting on behalf of the **insurer**;
- if **you** fail to comply with the **policy** terms and conditions
- if **you** do not provide information as outlined in section 10.2, or
- if **you** have threatened or been abusive.

In these circumstances **you** will be given seven days' notice. This applies in all circumstances, no matter how **you** have paid. For details on cancellation for fraud and misrepresentation see paragraph 10.11. All notices will be sent to either the email or postal address last known.

10.8 Total loss

If **your car** is considered a **total loss**, it will become the **insurer's** property. Any **unpaid premium** owed may be taken from the settlement amount paid to **you**.

The **insurer** may give **you** the option to insure another vehicle under **your** existing **policy**. Any change to **your policy** is subject to the **insurer's** agreement and may not be acceptable. There may be an extra premium to pay and there will be an administration fee as shown in the important customer information section. If the **insurer** cannot agree with **you** terms for another vehicle, or **you** do not want to insure another vehicle, all cover under the **policy** will end as soon as the car is declared a **total loss**. Any **unpaid premium** owed may be taken from the settlement amount paid to **you**.

If **your car** is under a hire-purchase or leasing agreement, the **insurer** will pay the agreed settlement sum direct to the hire-purchase or leasing company to clear all or part of the amount owing. The balance, if any, will be paid to **you**.

10.9 If you do not pay the premium

If **you** have not paid **your** entire premium, the **insurer** may take off any **unpaid premiums** from any claim settlement **they** pay **you**. If **you** are paying by instalments and do not keep up to date with **your** payments, **they** may not pay **your** claim and may cancel **your policy**.

If there is a change to the **policy**, **you** miss an instalment, owe anything after cancelling the **policy**, or **you** have to pay any fees or charges, **you** will allow for (or have the authority of the cardholder to give **us**) continuous authority to charge the card originally used, or the last card for which **is** held on record to process any related payments. If **you** are paying by instalments, **you** grant **us** the right to change **your** remaining payment plan to reflect any changes. If **you** have no remaining premium, **you** grant the right to charge the card originally used, or the last card for which is held on record, to process any fees or charges applied.

You are responsible for keeping up the payments, and if **you** fail to do so, **your policy** may be at risk. If the **insurer** needs to appoint a debt-recovery agent to collect any outstanding premiums, or **we** need to appoint a debt-recovery agent to collect any fees or charges, **you** will be legally responsible for paying all collection fees and commission.

10.10 Suspending your policy

You cannot suspend this insurance.

10.11 Fraud

If **you** or anyone acting for **you** deliberately or recklessly misrepresents information or fails to reveal facts asked by or on behalf of the **insurer** when taking out the **policy**, making changes to it, or at renewal and this affects the **terms** and conditions or the decision to offer cover, **your policy** and any other policies **you** have will be cancelled or voided immediately without further notice. The **insurer** may recover any costs **they** have incurred including claims costs, and will not return any premium **you** have already paid.

If **you** or anyone acting for **you** carelessly misrepresents or fails to reveal facts asked by or on behalf of the **insurer** at the time when taking out the **policy**, making changes to it, or at renewal and this affects the **terms** and conditions or the decision to offer cover this may result in an extra premium being charged or **your policy** being cancelled. The **insurer** may recover any costs **they** have incurred including claims costs.

The **insurer** will not pay a claim which is in any way fraudulent, false or exaggerated or if **you** or anyone acting for **you** makes a claim which is false or fraudulent. In these circumstances the **insurer** may cancel or void **your policy** immediately without further notice, and any other policies that **you** may have with **us** will be treated in the same way. The **insurer** may recover any costs **they** have incurred including claims costs, and will not return any premium **you** have already paid.

10.12 Insurers' right of recovery

If **they** need to pay a claim under the law of any country in which this **policy** operates (including settling a claim on a reasonable basis if the **insurer** believes **they** will have legal responsibility for it), which **they** would not otherwise be legally responsible to pay had the law not existed, the **insurer** can recover those payments (including the legal costs of reasonably defending the claim) from **you**. This will apply if **you** or any other insured person or any person using the vehicle with **your** permission:

- caused the loss directly or indirectly;
- caused, or allowed, the vehicle to be driven by an uninsured driver; or
- through an act or failure to act, caused this insurance to be invalid.

10.13 Other insurance

If **you** have other insurance policies which cover the same risks, the **insurer** will not pay more than **their** share of any claim. This does not mean the **insurer** has to accept any legal responsibility, under section 4 of this **policy**, that **they** would otherwise have been entitled to exclude under the Exceptions in section 4.

10.14 Drink and drugs

If, following an accident, **you** or anyone named in the **Certificate of Motor Insurance** is convicted of driving while under the influence of alcohol or drugs, or has a blood or urine alcohol content over the legal limit, or refuses to supply a breath, blood or urine sample when asked to do so, the **insurer** will pay no more than **they** have to under the Road Traffic Act and can then make **you** repay **them** that amount.

10.15 Residency

To qualify for cover under this **policy you** and any drivers named on the **Certificate of Motor Insurance** must have permanently lived in the UK for at least three years.

Extra conditions – endorsements

These will apply if they are shown on your Schedule

Endorsement 1 – Additional own damage, fire and theft excess

You are responsible for the first amount of each claim under section 1 Accidental damage and section 2 **Fire** and **theft** in relation to loss of or damage to **your car**. This amount is increased from the standard **excess** listed on **your Schedule** by one of the amounts below. The additional **excess** is shown by having Endorsement 1 printed on the **Schedule**. This **excess** will apply as well as any standard **excess** (or **excesses**) which applies to the **policy** section under which the claim is being made.

- | | |
|---|---|
| A | £50 additional accidental damage fire and theft excess |
| C | £100 additional accidental damage fire and theft excess |
| E | £150 additional accidental damage fire and theft excess |
| G | £200 additional accidental damage fire and theft excess |
| O | £400 additional accidental damage fire and theft excess |

Endorsement 2 – Keeping in a garage

If **you** do not keep **your car** in a locked private garage between 10pm and 6am when **your car** is parked at or near **your** home, **you** will be responsible for an extra £250 of each claim under Section 2 **Fire** and **theft** in relation to loss or damage to **your car** arising from **theft** or attempted **theft**. This amount applies as well as any other **excess (or excesses)** shown on the **Schedule**.

Endorsement 3 – Security

The **insurer** will only be legally responsible for claims arising under section 2 **Fire** and **theft** when a Thatcham category 1 or 2 immobilising device or tracker device has been fitted to **your car** in line with the manufacturer's instructions and is operating at all times **your car** is left unattended.

The **insurer** will need proof the device is fitted to **your car** before **your insurer** will consider any claim under section 2 **Fire** and **theft**.
